DISCLOSURE OF INTERESTS

Notes for Your Guidance

IMPACT OF A FINANCIAL INTEREST (s. 5.65. & s. 67. Local Government Act 1995)

A member who has a **Financial Interest** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest:

- a. In a written notice given to the Chief Executive Officer before the Meeting or;
- b. At the Meeting immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- a. Preside at the part of the Meeting relating to the matter or;
- b. Participate in, or be present during, any discussion or decision making procedure relative to the matter, unless and to the extent that, the disclosing member is allowed to do so under *Section 5.68* or *Section 5.69* of the *Local Government Act 1995*.

INTERESTS AFFECTING FINANCIAL INTEREST

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest in a matter**.

1. A Financial Interest, pursuant to s. 5.60A or 5.61 of the *Local Government Act 1995*, requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measured in money terms. There are expectations in the *Local Government Act 1995* but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e sporting, social, religious etc, and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e, if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors and ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. If in doubt declare.
5. As stated if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **must** be given when the matter arises in the Agenda, and immediately before the matter is discussed. Under s. 5.65 of the *Local Government Act 1995* failure to notify carries a penalty of \$10 000 or imprisonment for 2 years.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The **only** exceptions are:
 - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) of the *Local Government Act 1995*; or
 - 6.2 Where the Minister allows the Councillor to participate under s.5.69(3) of the *Local Government Act 1995*, with or without conditions.

INTERESTS AFFECTING PROXIMITY (s. 5.60b Local Government Act 1995)

1. For the purposes of this subdivision, a person has a proximity interest, pursuant to s.5.60B of the Local Government Act 1995, in a matter if the matter concerns;
 - a. a proposed change to a planning scheme affecting land that adjoins the person's land; or
 - b. a proposed change to the zoning or use of land that adjoins the person's land; or
 - c. a proposed development (as defined in section 5.63(5)) of land that adjoins the person's land.
2. In this section, land (the proposal land) adjoins a person's land if;
 - a. The proposal land, not being a thoroughfare, has a common boundary with the person's land; or
 - b. The proposal land, or any part of it, is directly across a thoroughfare from, the person's land; or
 - c. The proposal land is that part of a thoroughfare that has a common boundary with the person's land.
3. In this section a reference to a person's land is a reference to any land owned by the person or in which the person has any estate or interest.

INTERESTS AFFECTING IMPARTIALITY

Definition: An interest, pursuant to Regulation 11 of the Local Government (Rules of Conduct) Regulations 2007, that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'.

A member who has an **Interest Affecting Impartiality** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- a. In a written notice given to the Chief Executive Officers before the Meeting or;
- b. At the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY DISCLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote.

With the declaration of this type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest exist.

SUMMARY

The 2022/23 Budget is attached for the consideration and adoption by Council.

OFFICER RECOMMENDATION IN BRIEF

For Council to adopt the 2022/23 Budget and associated resolutions.

BACKGROUND

Council is required under the *Local Government Act 1995* to adopt a budget for each financial year.

The budget cannot be adopted before 1 June in the financial year immediately prior to the year it applies and must be adopted before 31 August in the year it applies to. The budget must be in the prescribed format and set expenditure levels and type for the year.

The budget must also contain a forecast of all income and set the rate in the dollar for the rates levied in the financial year it applies to.

There have been two Council workshops to directly discuss formulating the budget. These workshops provided Elected Members with an opportunity to ask questions and provide direction to staff on the Draft Budget and its various components.

OFFICER COMMENT

The Draft 2022/23 Budget contains a number of key strategic projects including those highlighted below:

OPERATING EXPENDITURE

| | |
|---|-------------|
| Enterprise Resource Planning (IT) Upgrade | \$1,175,000 |
|---|-------------|

(\$480,000 Carried Forward and Reserve Fund Transfer of \$695,000. Includes once off salaries backfill estimate of \$200,000 as well as Project Management and Change Management during implementation phase).

| | |
|---------------------------|-----------|
| Grove Library (Operating) | \$551,811 |
|---------------------------|-----------|

| | |
|---------------------|-----------|
| Verge Valet Service | \$130,000 |
|---------------------|-----------|

(Offset by fees paid for service)

| | |
|---|-----------|
| Strategic Plan | \$50,000 |
| FOGO Bin Introduction (Offset by a reduction in General Collection) | \$249,000 |
| FOGO Transfer Station Costs | \$208,000 |
| Volunteer Recognition Event and Youth Event | \$10,000 |
| CCTV strategy & Policy C/F | \$50,000 |
| Public Health Planning C/F | \$20,000 |
| Local Planning Strategy & Scheme Review (\$195,000 C/F) | \$365,914 |
| Cottesloe Village Precinct Plan (\$135,534 C/F) | \$321,052 |
| Dune Restoration/Planting Tube Stock | \$60,000 |
| CHRMAP Development Stage 2 (plus C/F of Stage 1) | \$185,328 |
| Shine Community Services | \$83,991 |
| Reconciliation Action Plan implementation | \$20,000 |
| Skate Park Preliminaries | \$20,000 |
| Natural Areas Management | \$200,000 |
| Bike Plan Concepts & Design | \$20,000 |
| Lifeguard Service at Cottesloe Main Beach | \$248,075 |
| Sculpture by the Sea | \$74,000 |
| Carols by Candlelight | \$24,000 |
| Donations and contributions to various local community groups | \$18,246 |

Additional Positions (including super):

| | |
|---|-----------------|
| Planning Officer (0.6 FTE) | \$59,706 |
| Rates Officer (0.5 FTE) | \$45,591 |
| Asset Engineer | \$94,194 |
| Parks and Gardens Position - Charge to various parks and garden jobs | \$73,774 |

Other positions that are subject to various forms of income such as fees and charges include labour cost for Verge Equipment Inspections (would be proportionate to fees generated) and Parking Administration depending upon infringement revenue and resulting administration.

CAPITAL EXPENDITURE

The Capital Works Expenditure Program includes a number of significant projects to be undertaken over the coming year including;

| | |
|-----------------------------------|-------------|
| Anderson Pavilion Replacement C/F | \$1,343,198 |
| East Cottesloe Playground Upgrade | \$445,000 |
| Dutch Inn Shade Sails | \$15,000 |
| John Black Dune Landscaping | \$80,000 |

| | |
|--|-----------|
| Beach Access Paths | \$150,000 |
| Street Tree Planting | \$258,868 |
| Grove Library (Capital – Transferred to Reserve) | \$43,000 |
| Seaview Kindergarten Kitchen Upgrade | \$20,000 |
| Rugby Clubhouse Access Improvements | \$48,000 |
| Marine Parade (Forrest to Eric Street) | \$585,277 |
| Eric Street Shared Path | \$700,000 |
| Right of Way Construction | \$96,000 |
| Turf Refurbishment Grant Marine Park | \$40,000 |
| Extra Parking Sensors installation | \$56,500 |

The draft Budget contains a 5% increase in rates for the 2022/23 financial year after a 3.5% increase last year.

From Budget Workshop 2 there was a surplus of \$22,230. There has been some minor adjustments following Budget Workshop 2 resulting in an adjusted surplus of \$20,000 which has been allocated in the following manner:

- \$20,000 is proposed to be added to the Property Reserve.

Should Council be happy with this allocation there is no need for any further action and the Budget can be adopted with a balanced position.

The Town has not been immune to the significant cost increases being experienced across the board and is impacted to a degree more than most with high exposure in the goods and materials area, wage increases, insurance and utility charges and fuel.

ATTACHMENTS

10.1.1(a) 2022/2023 BUDGET [under separate cover]

CONSULTATION

At the Ordinary Council Meeting held 28 June 2022 Council resolved of its intention to raise the following differential general rates and minimum rates for the 2022/2023 financial year:

| <i>Differential Rate Category</i> | <i>Rate in the \$</i> | <i>Min Rate</i> |
|---|-----------------------|-------------------|
| <i>Differential Rate – Town Centre Commercial (GRV)</i> | <i>0.086397</i> | <i>\$1,262.00</i> |

Local Public Notice was provided with a close date of Wednesday 20 July 2022. No submissions have been received. There was one enquiry (which neither supported nor objected to the proposed differential rate) and this has been responded to administratively.

SUMMARY

It is a requirement of the *Local Government Act 1995* that monthly and quarterly financial statements are presented to Council, in order to allow for proper control of the Town's finances and to ensure that income and expenditure are compared to budget forecasts.

OFFICER RECOMMENDATION IN BRIEF

That Council receives the Monthly Financial Statements for the period 1 July 2021 to 31 May 2022.

BACKGROUND

In order to prepare the attached financial statements, the following reconciliations and financial procedures have been completed and verified:

- Reconciliation of all bank accounts.
- Reconciliation of rates and source valuations.
- Reconciliation of assets and liabilities.
- Reconciliation of payroll and taxation.
- Reconciliation of accounts payable and accounts receivable ledgers.
- Allocation of costs from administration, public works overheads and plant operations.
- Reconciliation of loans and investments.

OFFICER COMMENT

The following comments and/or statements provide a brief summary of major financial/budget indicators and are included to assist in the interpretation and understanding of the attached financial statements:

- The net current funding position as at 31 May 2022 was \$4,527,934 as compared to \$1,834,043 this time last year. This is due to a combination of higher revenue from Infringements, and less payments YTD, with a number of projects to be carried forward to the 22/23 budget.
- Rates receivables as at 31 May 2022 was \$357,699 as compared to \$361,499 this time last year as shown on page 25 of the attached financial statements. The variance is minimal.

- Operating revenue is more than year to date budget review by \$744,755 with a more detailed explanation of material variances provided on page 21 of the attached financial statements. Operating expenditure is \$1,714,081 less than year to date budget review, with a more detailed analysis of material variances provided on page 21.
- The capital works program is shown in detail on pages 35 to 36 of the attached financial statements.
- The balance of cash backed reserves was \$8,612,420 as at 31 May 2022 as shown in note 7 on page 28 of the attached financial statements.

1. SUMMARY

The purpose of this report is to consider preparing a Local Planning Policy to address advertising signage.

2. OFFICER RECOMMENDATION IN BRIEF

That Council requests the Administration to seek a planning consultant to prepare a draft Local Planning Policy to address advertising signage within the Town.

3. BACKGROUND

Advertising signage is guided and regulated by the *Signs, Hoardings and Billposting* Local Law, which was last modified on 25 November 1988. It covers signage on both private property and in public thoroughfares.

Local Planning Scheme No. 3 (LPS 3), Schedule 5, exempts some advertising signage from requiring Development Approval where it does not exceed a certain size or where it is in accordance with the Local Law or a Local Planning Policy. However, whilst this is still applicable it is not consistent with the “deemed provisions” in the *Planning and Development (Local Planning Schemes) Regulations 2015*, which provides the following exemption under clause 61 (10):

| Works | Conditions |
|---|---|
| The erection or installation of a sign of a class specified in a local planning policy or local development plan that applies to the works as not requiring Development Approval. | (a) The sign complies with any requirements specified in the Local Planning Policy or Local Development Plan in relation to the exemption from the requirement for Development Approval. (b) The sign is not erected or installed within 1.5m of any part of a crossover or street truncation. (c) The works are not located in a heritage-protected place. |

It is therefore appropriate to prepare a Local Planning Policy to provide consistency with the deemed provisions. Furthermore, a Large Format Digital Sign (LFDS) recently approved by the State Government's Development Assessment Panel (DAP) on Stirling Highway highlighted a concern that the decision could set a precedent for similar large signage to be approved elsewhere in the locality, as the Town's Local Law does not prevent it and there is no Local Planning Policy to address it.

4. OFFICER COMMENT

The deemed provision in the *Planning and Development (Local Planning Schemes) Regulations 2015* require a local planning policy to address signage that is to be exempted from requiring development approval.

A Local Planning Policy would provide clarity as to the Town's expectations in respect to appropriate advertising signs from a planning perspective, rather than being reliant on the Town's outdated *Signs, Hoardings and Billposting* Local Law.

An initial review of other Local Government signage policies has revealed that there does not appear to be one preferred format or set of advertising standards for this type of policy. However, there are similarities such as having regard to *Main Roads WA Policy and Application Guidelines for Advertising Signs* within and beyond State road reserves.

10.1.4 PROPOSED SCHEME AMENDMENT NO.13 TO LOCAL PLANNING SCHEME NO. 3 - RESIDENTIAL BUILDING HEIGHTS

Directorate: Development and Regulatory Services
Author(s): Ed Drewett, Coordinator Statutory Planning
Authoriser(s): Freya Ayliffe, Director Development and Regulatory Services
File Reference: D22/29179
Applicant(s): N/A
Author Disclosure of Interest: Nil

SUMMARY

The purpose of this report is to present a proposed amendment to Local Planning Scheme No. 3 (LPS 3) to introduce discretion to building height controls for new residential development.

The change is considered necessary due to some of the building height provisions in LPS 3 being redundant as they have been superseded by the “deemed provisions” in the *Planning and Development (Local Planning Schemes) Regulations 2015*.

OFFICER RECOMMENDATION IN BRIEF

That Council resolves to initiate Amendment No. 13 to LPS 3 as a basic amendment to refine the residential height provisions in clause 5.7.5, consistent with the *Planning and Development (Local Planning Schemes) Regulations 2015* and State Planning Policy 7.3 - *Residential Design Codes* (R-Codes).

BACKGROUND

The fundamental height regime for residential and non-residential development in the Town (apart from Special Control Area 2 and the Development zone areas) is contained in clause 5.7: Building Height, related Schedule 11, and Table 2: Development Requirements of LPS 3.

The definitions in LPS 3 relating to Building height, Wall height and the diagrams in Schedule 11 however, are redundant as they have been superseded by the “deemed provisions” in the *Planning and Development (Local Planning Schemes) Regulations 2015* (see below):

Superseded height definitions in LPS 3

Building Height means the maximum vertical distance between any point of natural ground level and the uppermost part of the building directly above that point (roof ridge, parapet, or wall), excluding minor projections.

Wall Height means the vertical distance between –

- a) any point of natural ground level; and
- b) the level of the roof or the top of a parapet from that point in accordance with Figures 1, 2, 3 or 4 in Schedule 11.

Replacement height definitions in the “deemed provisions” - *Planning and Development (Local Planning Schemes) Regulations 2015*

Building height, in relation to a building –

- a) if the building is used for residential purposes – has the same meaning given in the R-Codes; or*
- b) if the building is used for purposes other than residential purposes – means the maximum vertical distance between the natural ground level and the finished roof height directly above, excluding minor projections as that term is defined in the R-Codes.*

Wall height, in relation to a wall of a building –

- a) if the building is used for residential purposes – has the same meaning given in the R-Codes; or*
- b) if the building is used for a purpose other than residential purposes – means the vertical distance from the natural ground level of the boundary of the property that is closest to the wall to the point where the wall meets the roof or parapet.*

R-Codes height definitions referred to in the “deemed provisions”

Height, building – This is the distance between the point where the base of the wall meets the natural ground level and measured to the highest point of a wall or roof of a building vertically above that point (for measurement guidance refer to Figure Series 7) excluding minor projections.

Height, wall – This is the vertical distance between the point where the base of the wall meets the natural ground level at the boundary immediately adjacent to the wall to the roof or top of the parapet.

Change to definition of natural ground level

The definition of natural ground level in the R-Codes has been replaced by the following definition in the “deemed provisions”:

Natural ground level, in relation to land subject to development, means –

- (a) the ground level specified in either of the following that applies to the land (or, if both of the following apply to the land, the more recent of the following) –*
 - (i) a condition on an approval of a plan of subdivision that specifies a ground level;*
 - (ii) a previous development approval for site works on the land that specifies a ground level;*

or

- (b) if paragraph (a) does not apply – the level of the land before any disturbance to the land relating to the development.*

Previous “Building height” Scheme amendments

Since LPS 3 was gazetted in 2014, there have been three (3) amendments to the Scheme that have applied discretion to the building height provisions:

- Amendment 1 (gazetted 24 March 2015) - to create discretion to increase height for extensions to existing dwellings, and for heritage buildings;
- Amendment 3 (gazetted 14 July 2015) - to restore the maximum building height limit for single storey buildings of 6m; and

- Amendment 6 (gazetted 4 November 2016) - to make changes to clause 5.7.5 in pursuance of the *Planning and Development (Local Planning Schemes) Regulations 2015*.

State Administrative Tribunal (SAT) decision (WASAT 115)

The decision of the SAT in September 2021 to uphold an appeal against the Council's decision to refuse a development application for a property located at 7 Avonmore Terrace, Cottesloe, reinforced the proviso that where the Scheme is inconsistent with a deemed provision, the deemed provision prevails. The SAT also determined how natural ground level (NGL) should be interpreted for the purposes of assessing building height and wall height and determined in that instance, NGL should be taken from existing approved site levels, not the level of the land before any disturbance took place relating to the development.

OFFICER COMMENT

The gazettal of the *Planning and Development (Local Planning Schemes) Regulations 2015* relating to the definition of building height, wall height, and natural ground level is significant as it has made some of the provisions in LPS 3 redundant. This is particularly true for new residential development which under the current LPS provisions is excluded from any height discretion being allowed.

If no change is made to LPS 3, the non-discretionary maximum building height for new residential development may result in an undesirable streetscape that does not satisfy the aims and objectives of the Scheme. This is largely due to the building heights being measured from existing approved site levels (including sites that have been excavated), in accordance with the "deemed provisions".

The proposed change will give the Town discretion to consider heights of residential dwellings consistent with surrounding development. It is not proposed to extend the discretion to non-residential development at this stage as these are not assessed under the R-Codes.

Proposed Scheme Amendment No. 13 is considered a "basic" amendment under the *Planning and Development (Local Planning Schemes) Regulations 2015* as it modifies the Scheme text to be consistent with the Regulations and the R-Codes.

Clause 5.1.6 in the R-Codes (Volume 1) refers to "Building height" and allows development to demonstrate compliance with the following design principles:

Building height that creates no adverse impact on the amenity of adjoining properties or the streetscape, including road reserves and public open space reserves; and where appropriate maintains:

- *adequate access to direct sun into buildings and appurtenant open spaces;*
- *adequate daylight to major openings into habitable rooms; and*
- *access to views of significance.*

Clause 2.2 in the R-Codes (Volume 2 – Apartments) refers to "Building height" and requires the following element objective to be satisfied:

- *The height of development responds to the desired future scale and character of the street and local area, including existing buildings that are unlikely to change;*
- *The height of buildings within a development responds to changes in topography;*
- *Development incorporates articulated roof design and/or roof top communal open space where appropriate;*
- *The height of development recognises the need for daylight and solar access to adjoining and nearby residential development, communal open space and in some cases, public spaces.*

Proposed modification to clause 5.7.5 in LPS 3

It is recommended that clause 5.7.5 in LPS 3 be refined to include new dwellings, and to read as follows (changes highlighted):

In the case of new dwellings, or alterations, additions or extensions to existing dwellings in the Residential, Residential Office, Town Centre, Local Centre, Foreshore Centre and Restricted Foreshore Centre zones, the local government may vary the maximum heights specified in Table 2 and clause 5.7.2, where in its opinion is warranted due the circumstances and merits of the proposal, having regard to (as applicable) -

- a) the existing heights of the dwelling;*
- b) any relevant Local Planning Policy or Design Guidelines;*
- c) any heritage considerations relating to the dwelling;*
- d) relevant planning considerations identified in clause 67 of the Planning and Development (Local Planning Schemes) Regulations 2015;*
- e) adequate direct sun into buildings and appurtenant open spaces;*
- f) adequate daylight to major openings into habitable rooms;*
- g) access to views of significance;*
- h) building design to ameliorate the visual effects of height including consideration of setting-back the side walls of added storeys from the side walls of existing buildings; and*
- i) the amenity of adjoining properties, including road and public open space reserves, and the character of the streetscape;*

and subject to the development -

- a) not exceeding the permitted number of storeys; or where that is already exceeded, not exceeding the existing number of storeys;*
- b) not exceeding the height of the existing dwelling, unless the Council is satisfied with the design and its implications having regard to the above criteria; and*
- c) in the Foreshore Centre Zone, the development not exceeding the requirements of clause 6.4.3.1 (a) and (b).*

An application for planning approval requiring the exercise of the discretion under this clause is to be advertised in accordance with clause 64 of the Planning and Development (Local Planning Schemes) Regulations 2015 and the notice of the application is to include such

reference to the variation sought to any height standard or requirement as the local government thinks fit.

In addition to this, the LPS 3 text on the WAPC's website has not been updated to reflect all the changes made in Amendment 6 (gazetted 4 November 2016). In particular, the second part, point (a), in clause 5.7.5 needs to be updated to read:

Not exceeding the permitted maximum number of storeys; or where that is already exceeded, not exceeding the existing number of storeys.

The basic amendment does not require advertising as the proposed changes to the Scheme text are consistent with the *Planning and Development (Local Planning Schemes) Regulations 2015* and the R-Codes.

Within 21 days of passing a resolution to prepare or adopt a basic amendment, or such longer time approved by the Commission, it is required to be referred to the Western Australian Planning Commission (WAPC).

If on receipt of the amendment the WAPC considers that it is a complex or standard amendment then it can direct the Town –

- a) to advertise the amendment as a complex amendment or standard amendment as the case requires; or
- b) to take any other steps it considers appropriate to advertise the amendment.

OFFICER RECOMMENDATION

THAT Council:

1. In accordance with the *Planning and Development (Local Planning Schemes) Regulations 2015*, resolve to initiate Scheme Amendment No. 13 to Local Planning Scheme No. 3 (LPS 3) by:

1.1 Modifying clause 5.7.5 as follows:

- i. amend the first paragraph to read:

In the case of new dwellings, or proposed alterations, additions or extensions to existing dwellings, in the Residential, Residential Office, Town Centre, Local Centre, Foreshore Centre and Restricted Foreshore Centre zones, the local government may vary the maximum heights specified in Table 2 and clause 5.7.2, where in its opinion it is warranted due the circumstances and merits of the proposal, having regard to *(as applicable)*;

- ii. amend the last paragraph to read:

An application for planning approval requiring the exercise of the discretion under this clause is to be advertised in accordance with clause 64 of the *Planning and Development (Local Planning Schemes) Regulations 2015* and the notice of the application is to include such reference to the variation sought to any height standard or requirement as the local government thinks fit.

2. Request the WAPC to update point (a) in the second part of clause 5.7.5 in accordance with Amendment 6, gazetted 4 November 2016, to read :

Not exceeding the permitted maximum number of storeys; or, where that is already exceeded, not exceeding the existing number of storeys.

3. Resolve that this is a basic amendment as it is consistent with the *Planning and Development (Local Planning Schemes) Regulations 2015 and Residential Design Codes*.
4. Refer a copy of proposed Scheme Amendment No. 13 to the Environmental Protection Authority for consideration and comment.

5. Request the administration to progress Amendment No. 13 in accordance with the *Planning and Development (Local Planning Schemes) Regulations 2015*.

14. SUMMARY

15. For Council to consider resident feedback as per Section 3.5 of the current right of way policy (ROW) for the exempted sections of 14A and 14B to be resurfaced.

16. OFFICER RECOMMENDATION IN BRIEF

That Council considers the feedback received (summary attached) and resurfaces the east-west section of Right of Way (ROW) 14B as shown in the background section of the report.

Council is ask to note that the north-south section of ROW 14B is in asphalt that was done separately in 2005 and 2008.

17. BACKGROUND

A right of way policy (ROW) prior to 2017 exempted ROW 21, 14A and 14B (east-west section) from resurfacing as adjacent residents preferred the status quo of the laneway. A resident's petition was required for Council to consider should they want the laneway resurfaced.

The north-south section of ROW 14B was sealed at that time (done in 2005 and 2008).

In 2017, Council removed ROW 21 exemption and this laneway asphalted. The October 2017 Ordinary Council Meeting Minutes provides further information dating back to 2011. The east-west section of ROW 14A and 14B remains exempted.

In June 2020, a revised ROW Policy was adopted by Council.

<https://www.cottesloe.wa.gov.au/documents/1446/right-of-way-policy-adopted-23-june-2020>

The exempted section of ROW 14A and 14B (east-west section) remains on this policy as shown on the diagram.

Council at the June 2022 Ordinary Council Meeting resolved for residents and property owners to be consulted on the proposed sealing of ROW 14A and 14B (east-west section). Works in progress are on hold until Council makes a determination on the matter.

The attached letter was distributed to residents and property owners on 6 July 2022. 18 responses were received at consultation closing of 20 July 2022. The diagram within the officer's comment section of the report provides an overview of all responses received.

The attached register provides an overview of the 17 responses. Submission 18 from 24 Hawkstone Street, was received immediately before closing and could not be registered onto the Town's record keeping system in time for inclusion in the attached table but is narrated in the officer's comment section of this report.

18. OFFICER COMMENT

Based on the results above, the following options are open to Council for consideration:

- Option one: Resurface only the east-west section of ROW 14B; or
- Option two: Resurface ROW 14A and 14B (east west section); or
- Option three: Does not proceed with any resurfacing and asks for the current works to be reinstated back to its original condition; or

Depending on the final decision of Council, the exempted table in section 3.5 of the current policy will be updated accordingly.

Resident's preference is in the diagram below. Based on the results, a recommendation is for option one, seal ROW 14B only.

Council is ask to note that:

- Option two (not recommended) will cost an additional \$19,000 and a budget amendment funded through the ROW Reserve will be required. Any amendment motion will need to reference absolute majority;
- This report deals with only the east-west section of ROW 14B as the north-south section had been sealed in two separate portions in 2005 and 2008;
- This item is brought to the July 2022 Ordinary Council Meeting instead of August 2022 as the works have commenced but suspended to allow this consultation to occur. Deferring the item may result in the contractor applying delay cost; and
- Submission 18 from 24 Hawkstone Street (within ROW 14A section) received just before closing was not registered within the Town's record system on time to be included in the attached table of comments. Notwithstanding this, based on information received, it can be concluded that the resident is not supportive of 14A and 14B (east-west section) being asphalt or gravel surface. They have asked for the pavement to be in soil that is not an available option. Their feedback has been reflected in the overview diagram.

Priority Area 5: Providing sustainable infrastructure and community amenities

Major Strategy 5.2: Manage assets that have a realisable value.

Not upgrading the laneway will continue to create maintenance issues for the Town.

24. RESOURCE IMPLICATIONS

Resource requirements are in accordance with the existing budgetary allocation.

Works will be done by contractors, no additional costs have been incurred to date, however as discussed any further delays may result in additional costs.
