

EVENT APPLICATION

Organiser of events held within the Town of Cottesloe must lodge an Event Application. Submission of the application form does not automatically imply approval and any incomplete sections will be taken to mean that the particular facility is not required.

The Town requires an application form for minor (less than 500 people) events to be submitted one calendar month prior to the event; all other event applications must be submitted at least six months prior to the event.

When completing the application please tick or highlight the appropriate response. If there is insufficient space, please attach as an appendix.

Please complete the enclosed and return to <u>council@cottesloe.wa.gov.au</u>. For further information please contact the Town of Cottesloe on 08 9285 5000.

<u>Cottesloe Reef is protected by a Fish Habitat Protection Area (FHPA)</u>, the only one in the Perth Metropolitan Area. The principal aim of the Cottesloe Reef FHPA is to preserve valuable fish and marine environments for the future use and enjoyment of all people. Plastic and balloon litter pose a significant risk to this very special marine environment.

26. Filming

Will drones be utilised during your event?

Yes 🗆 No

If yes, any use of drones are to comply with the Civil Aviation Safety Authority regulations.

27. Music Licensing

Any public event involving use of music may require licenses from the Australian Performing Rights Association (<u>APRA</u>) and the Phonographic Performance Company of Australia (<u>PPCA</u>).

28. Fees and charges

Application Fees

In order for an Event Application to be considered a non-refundable application fee will apply.

Hire fees

Hire fees may be charged in accordance with the <u>Event Classification Policy</u>. Town of Cottesloe Management will determine what fees are to be charged.

Bond

A bond is required for bookings. Damage fees may also be charged separately. When making your bond payments please ensure that the name on the card matches with the payees details on the bond refund request form.

Payment

Event hire fees are charged in accordance with the Event Classification Policy. Additional Health Act fees, and fees for Council services such as advertisement, parking, waste and damages, will be charged separately. Damage bond fees may also be charged separately.

If your conditional application is successful the Town of Cottesloe will contact you to obtain credit card payment for fees and bond. Failure to pay Event fees and bond money less than 7 days prior to the shoot may result in the shoot not receiving approval.

For further information regarding fees, please see the Schedule of Fees and Charges.

North Cottesloe Primary School Parents and Citizens Association (Inc)

Town of Cottesloe 109 Broome Street Cottesloe WA 6011

1 November 2018

Dear Gabrielle

Please find **attached** our event application form for the proposed North Cott Splash n Dash, which we hope to host on Saturday 23 March 2019.

The event, held in 2017 and 2018, has been a huge success enjoyed by all ages. It will again be run by the North Cottesloe Primary School P&C with the support of the North Cottesloe Surf Club. We hope to make the next event even better, especially with the generous \$5,000 community donation from the Town of Cottesloe toward running costs.

This event will not only be a community event but will also raise much needed funds for the North Cottesloe Primary School and Melanoma WA. Proceeds from the event are allocated to provide valuable resources to assist with ongoing activities in the school community, such as the school's Science Technology Engineering & Maths (STEM) program and other programs that do not fit within the limited Budget framework.

2018 proceeds have been allocated to the school's STEM program to fund a Scientist in Residence. This has been shown to enhance STEM teaching practices and assist in delivering engaging STEM education in our school. It is well recognised that we need an increase in STEM skills to meet Australia's future job needs. Our programme continues to do just that.

The P&C would like to use 2019 proceeds to enhance and build our STEM program.

We are very excited about the prospect of holding this event again and hope that the Town of Cottesloe will further support it by waiving any application/ event fees.

Kind regards

P&C President
