# Introduction

The budget has been prepared in accordance with the requirements of the *Local Government Act* 1995, the *Local Government (Financial Management) Regulations* 1996, and Australian Accounting Standards. It reflects the principles and feedback discussed with Elected Members during the budget workshops, with a focus on long term sustainability including a gradual increase to our Reserve Fund balances, service levels and delivering on the Council Plan.

The Town proposes a balanced budget for 2025/26, with neither a surplus nor a deficit. The estimated opening cash surplus for 2025/26 is \$1,276,963, representing the carried forward projects from 2024/25. This surplus will be utilised to complete these projects in 2025/26. The final figure for the 2024/25 cash surplus will be determined through end-of-year processing and audit.

The proposed General Rates are determined after considering all other sources of revenue, available reserve funding, expenditure requirements, efficiency and savings measures, and associated cost increases.

Below are the key inclusions in the proposed 2025/26 Annual Budget:

# 1. Operating Budget

The draft operating budget provides for the Town's day-to-day operations. The net operating budget position has improved by \$229K from last year's budget. Significant movements in revenue and expenditure include:

- A 3.9% increase in the rate in the dollar over all general rates, resulting in an additional \$506K, with an increase to the Residential Improved category minimum to \$900, increasing the number of properties in this category from 78 to 100 and revenue by \$28K. All other minimums increased by 3.9% and have resulting in an increase to revenue of \$5,464. In addition the budget includes an increase to interim rating of \$25K. An overall rate revenue increase of \$565K has been budgeted.
- Increased employment costs are due to a 3% pay increase as per the Town of Cottesloe Industrial Agreement, a correction to Ranger salaries and entitlements, an increase to the superannuation guarantee, a \$51K increase in workers compensation premium and the inclusion of three new positions Governance Officer, Community Engagement Officer (parttime) and a Environmental/Sustainability Officer.
- Increased Materials and Contract costs based on the Local Government Cost Index of 2.4% and contracted increases under service delivery agreements. An increase to service levels has been budgeted for where required, for example rubbish collections in the Town Centre.
- Key strategic projects and initiatives including:
  - Carpark 2 Redevelopment: \$70K
  - Feasibility Study Curtin Avenue Crossing at Napier Street: \$20K
  - Land, Building & Infrastructure Revaluation: \$50K
  - Completion of the following carried forward projects Local Planning Strategy,
     Cottesloe Village Centre Precinct Plan and Town Planning Scheme 4.

# 2. Capital Budget

A capital works program totalling \$3.88M entailing investment in infrastructure, land and buildings, plant and equipment and furniture and equipment is proposed. For the full list of Capital Works please see the Capital Works Program in the Supplementary Information on page 33.

Key Capital Projects in 2025/26 are listed below;

MRRG (Road rehabilitation) Marine Parade, Warton St to Pearce St	722,200
Healthy Streets Project Stage 1 – Broome Street	550,000
Marine Parade Shared Path North St to Curtin Ave – Detailed design	400,000
Plant, machinery and equipment replacement	357,000
South Cottesloe toilets	300,000
Harvey Field (Broome Street) Playground Upgrade	282,871
Civic Centre Playground renewals	200,000
Right of Ways - ROW 6, 67 & 68	140,000
Groyne Access Ramp Works	121,337
Civic Centre office refurbishment	101,587

#### 3. Surplus at the start of the financial year

The opening balance, referred to in the Statement of Financial Activity as the "Surplus at the start of the financial year" is \$1,273,963. This also represents the anticipated surplus for the 2024/2025 financial year after the end of financial year transactions have been processed and audited. This surplus will be used to fund our carried forward projects as shown in the table below.

Carried Forward Projects funded by 2024/2025 closing surplus	Amount (\$)
Parking - In Ground Sensors	35,000
Civic Centre Office Refurbishment	101,587
John Black Dune Drink Fountain	65,000
Cottesloe Carpark No.2 Strategy	23,971
Groyne Access Ramp Works	121,337
Harvey Field (Broome Street) Playground Upgrade	282,871
Civic Centre Playground Upgrade Project (detailed design)	35,000
Healthy Streets Project	66,000
Brixton Street Resurfacing	27,000
Civic Centre Conservation Renewal	32,197
Anderson Pavilion Development	34,000
South Cottesloe toilets	300,000
Town Planning Scheme	125,000
Cottesloe Village Centre Precinct Plan	25,000
	1,273,963

#### 4. Reserves

The Town forecasts a closing balance of \$8.69M in reserves for 2025/26, an overall increase to Reserves of almost \$200K. Please see Note 9 of the Statutory Budget.

The Recreation Precinct Reserve is combined with the Public Open Space Reserve as the purpose of these reserves are similar.

Major proposed movements include:

- An estimated \$389K interest earned on reserve funds, based on the reserves' opening balance and an interest rate of 4.00%.
- Transfer from the Information Technology Reserve for the introduction of a HR Module: \$50k
- Transfer from the Right of Way Reserve for the ROW 6, ROW 67 and ROW 68 upgrades of \$140,000.
- Transfers to Reserves of \$50,000 to provide for the future, shared between Information Technology, Leave, Legal, Library and Property Reserves.

#### 5. Fees and Charges

As a general rule, a 2.4% increase has been applied to the 2025/26 Fees and Charges in response to inflationary pressures and in alignment with the Local Government Cost Index, and rounded to the nearest dollar. Notable changes include:

- Sundry debtors charges interest rate, overdue charges on invoices decreased to nil from the previous 7%.
- Removal of replacement of lost, stolen or damaged bins for domestic and commercial, as there will no longer be a charge for this service.
- Waste charges have been reviewed based on the current usage and actual expenditure. With an overall increase of 3.9% across various waste charges. Combined and standard 3-bin service annual fee has increased by 3.9% upon review of the annual fee and usage.
- Removal of work zone permits and infrastructure bonds as these fees will no longer be required.
- Public hire fee, including commercial (minimum 3 hours), private function (including weddings at minimum 3 hours) and wet weather back-up have been increased by 10%-20%, dependent on location to match with the demand of hire, increase in service level and the increase of administration costs to provide this service.

#### 6. Elected Member Remuneration

Elected Member remuneration has increased by 3.5% in line with the increases in the Local Government Chief Executive Officers and Elected Council Members Determination No 1 of 2025 provided by the Salaries and Allowances Tribunal. The Salaries and Allowances Tribunal is established pursuant to section 5 of the Salaries and Allowances Act 1975.

Please note that the Tribunal Determination provides a range for these allowances and the following table shows the proposed budget amount compared to the maximum allowed.

	Maximum	Proposed	% of
	allowed	budget	maximum
Telecommunications Allowance	3,500	1,656	47%
Meeting Attendance Fee	18,335	16,301	89%
Mayor's Meeting Attendance Fee	28,385	25,254	89%
Mayor's Allowance	41,388	28,980	70%
Deputy Mayor Allowance	10,347	7,245	70%

An itemised list per Elected Member can be viewed at Note 11 of the Statutory Budget.

#### 7. Community Donations

The budget includes \$18,143 for Community Donations. A list of community group and organisation's grant requests and recommendations, including the rationale behind them, was presented to Elected Members at Budget Workshop 2 held on 13 May 2025. A total of 9 applications were received for the 2025/26 financial year, with 8 applications being recommended for support or partial support. A list of these can be found in the Supplementary Information on page 37.

#### 8. Loans

No new loans are proposed in the 2025/26 draft Budget.

Repayment of the Grove Library loan will continue, with the outstanding balance reduced to \$1,398,901 as of 30 June 2026. This loan will be fully repaid in September 2029.

# TOWN OF COTTESLOE FOR THE YEAR ENDED 30 JUNE 2026 INDEX OF NOTES TO THE BUDGET

Note 1	Basis of Preparation	12
Note 2	Rates and Service Charges	13
Note 3	Net Current Assets	16
Note 4	Reconciliation of cash	18
Note 5	Property, Plant and Equipment	19
Note 6	Depreciation	20
Note 7	Borrowings	21
Note 8	Lease Liabilities	23
Note 9	Reserve Accounts	24
Note 10	Other Information	26
Note 11	Council Members Remuneration	27
Note 12	Trust Funds	28
Note 13	Revenue and Expenditure	29
Note 14	Program Information	31
Note 15	Fees and Charges	32

#### **1 BASIS OF PREPARATION**

The annual budget of the Town of Cottesloe which is a Class 3 local government is a forward looking document and has been prepared in accordance with the Local Government Act 1995 and accompanying regulations.

#### Local Government Act 1995 requirements

Section 6.4(2) of the Local Government Act 1995 read with the Local Government (Financial Management) Regulations 1996 prescribe that the annual budget be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 Leases which would have required the Town to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this annual budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the annual budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

#### The local government reporting entity

All funds through which the Town controls resources to carry on its functions have been included in the financial statements forming part of this annual budget.

All monies held in the Trust Fund are excluded from the financial statements A separate statement of those monies appears at Note 14 to the annual budget.

#### 2024/25 actual balances

Balances shown in this budget as 2024/25 Actual are estimates as forecast at the time of preparation of the annual budget and are subject to final adjustments.

#### **Budget comparative figures**

Unless otherwise stated, the budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure.

#### Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

#### Rounding off figures

All figures shown in this statement are rounded to the nearest dollar.

#### Statement of Cashflows

Investing and financing transactions that do not require the use of cash or cash equivalents shall be excluded from a statement of cash flows. Such transactions shall be disclosed elsewhere in the financial statements in a way that provides all the relevant information about these investing and financing activities.

#### Initial application of accounting standards

During the budget year, the below revised Australian Accounting Standards and Interpretations are expected to be compiled, become mandatory and be applicable to its operations.

- · AASB 2020-1 Amendments to Australian Accounting Standards
- Classification of Liabilities as Current or Non-current
- AASB 2022-5 Amendments to Australian Accounting Standards
  - Lease Liability in a Sale and Leaseback
- · AASB 2022-6 Amendments to Australian Accounting Standards
- Non-current Liabilities with Covenants
- AASB 2023-1 Amendments to Australian Accounting Standards - Supplier Finance Arrangements
- AASB 2023-3 Amendments to Australian Accounting Standards
- Disclosure of Non-current Liabilities with Covenants: Tier 2
- AASB 2024-1 Amendments to Australian Accounting Standards
- Supplier Finance Arrangements: Tier 2 Disclosures

It is not expected these standards will have an impact on the annual budget.

• AASB 2022-10 Amendments to Australian Accounting Standards - Fair Value Measurement of Non-Financial Assets of Not-for-Profit Public Sector Entities, became mandatory during the budget year. Amendments to AASB 13 Fair Value Measurement impacts the future determination of fair value when revaluing assets using the cost approach. Timing of future revaluations is defined by regulation 17A of Local Government (Financial Management) Regulations 1996. Impacts of this pronouncement are yet to be quantified and are dependent on the timing of future revaluations of asset classes.

#### New accounting standards for application in future years

The following new accounting standards will have application to local government in future years:

- AASB 2014-10 Amendments to Australian Accounting Standards
- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture

No material impact is expected in relation to the 2025-26 statutory budget.

- AASB 2024-4b Amendments to Australian Accounting Standards - Effective Date of Amendments to AASB 10 and AASB 128
- [deferred AASB 10 and AASB 128 amendments in AASB 2014-10 apply]
- AASB 2022-9 Amendments to Australian Accounting Standards
- Insurance Contracts in the Public Sector
- AASB 2023-5 Amendments to Australian Accounting Standards
- Lack of Exchangeability
- · AASB 18 (FP) Presentation and Disclosure in Financial Statements
- (Appendix D) [for for-profit entities]
- · AASB 18 (NFP/super) Presentation and Disclosure in Financial Statements
- (Appendix D) [for not-for-profit and superannuation entities]
- AASB 2024-2 Amendments to Australian Accounting Standards
- Classification and Measurement of Financial Instruments
- AASB 2024-3 Amendments to Australian Accounting Standards - Standards - Annual Improvements Volume 11

It is not expected these standards will have an impact on the annual budget.

#### Critical accounting estimates and judgements

The preparation of the annual budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
  - Property, plant and equipment
  - Infrastructure
- · Expected credit losses on financial assets
- Assets held for sale
- · Impairment losses of non-financial assets
- Investment property
- · Estimated useful life of intangible assets
- · Measurement of employee benefits
- Measurement of provisions

#### 2. RATES AND SERVICE CHARGES

Total rates					11,794,446	75,000	11,864,459	11,339,716	11,299,786

The Town did not raise specified area rates for the year ended 30th June 2026.

All rateable properties within the district used predominately for non-rural purposes are rated according to their Gross Rental Valuation (GRV), all other properties are rated according to their Unimproved Valuation (UV)

The general rates detailed for the 2025/26 financial year have been determined by Council on the basis of raising the revenue required to meet the estimated deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than general rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum payments have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

<sup>\*</sup>Rateable Value at time of adopting budget.

# 2. RATES AND SERVICE CHARGES (CONTINUED)

# (b) Interest Charges and Instalments - Rates and Service Charges

The following instalment options are available to ratepayers for the payment of rates and service charges.

Instalment options	Date due	Instalment plan admin charge	Instalment plan interest rate	Unpaid rates interest rates
		\$	%	%

# **EXPLANATION OF DIFFERENCE IN NET CURRENT ASSETS AND SURPLUS/(DEFICIT)**

Items excluded from calculation of budgeted deficiency
When calculating the budget deficiency for the purpose of Section 6.2 (2)(c) of the Local Government Act 1995 the following amounts have been excluded as provided by Local Government (Financial Management) Regulation 32 which will not fund the budgeted expenditure.

#### (c) Non-cash amounts excluded from operating activities

The following non-cash revenue or expenditure has been excluded from amounts attributable to operating activities within the Statement of Financial Activity in accordance with <i>Financial Management Regulation 32.</i>	Note	2025/26 Budget 30 June 2026	2024/25 Actual 30 June 2025	2024/25 Budget 30 June 2025
Adjustments to operating activities		\$	\$	\$
Less: Profit on asset disposals	5	36,000	0	0
Less: Fair value adjustments to financial assets at fair value through profit and loss				(2,495)

- Employee provisions		0	Ó	80,569
Non cash amounts excluded from operating activities		3,356,987	3,266,608	3,335,393

#### 3. NET CURRENT ASSETS

#### (d) MATERIAL ACCOUNTING POLICIES

#### **CURRENT AND NON-CURRENT CLASSIFICATION**

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Town's operational cycle. In the case of liabilities where the Town does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Town's intentions to release for sale.

#### TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the Town prior to the end of the financial year that are unpaid and arise when the Town becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

#### PREPAID RATES

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Town recognises revenue for the prepaid rates that have not been refunded.

#### INVENTORIES

#### General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

#### **SUPERANNUATION**

The Town contributes to a number of superannuation funds on behalf of employees. All funds to which the Town contributes are defined contribution plans.

#### **INVENTORY - LAND HELD FOR RESALE**

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Inventory - land held for resale is classified as current except where it is held as non-current based on the Town's intentions to release for sale.

#### **GOODS AND SERVICES TAX (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

#### **CONTRACT LIABILITIES**

Contract liabilities represent the Town's obligation to transfer goods or services to a customer for which the Town has received consideration from the customer.

Contract liabilities represent obligations which are not yet satisfied. Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

#### TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for grants, contributions, reimbursements, and goods sold and services performed in the ordinary course of business.

Trade and other receivables are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components, when they are recognised at fair value.

Trade receivables are held with the objective to collect the contractual cashflows and therefore the Town measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

The Town applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

#### **PROVISIONS**

Provisions are recognised when the Town has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### **EMPLOYEE BENEFITS**

#### Short-term employee benefits

Provision is made for the Town's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Town's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the determination of the net current asset position.

The Town's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the determination of the net current asset position.

#### Other long-term employee benefits

Long-term employee benefits provisions are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Town's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Town does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

#### 4. RECONCILIATION OF CASH

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

	Note	2025/26 Budget	2024/25 Actual	2024/25 Budget
		\$	\$	\$
Cash at bank and on hand		4,209,544	5,319,536	1,472,255
Term deposits		5,860,089	5,860,089	10,070,474
Total cash and cash equivalents		10,069,633	11,179,625	11,542,729
Held as				
- Unrestricted cash and cash equivalents		1,375,473	2,685,238	3,534,299

	3(a)	10,069,633	11,179,625	11,542,729
Restrictions				
The following classes of assets have restrictions imposed by regulations or other externally imposed requirements which limit or direct the purpose for which the resources may be used:				
- Cash and cash equivalents		8,694,160	8,494,387	8,008,430
Gash and sash squitaisms		8,694,160	8,494,387	8,008,430
The assets are restricted as a result of the specified purposes associated with the liabilities below: Reserve accounts	9	8,694,160	8,494,387	8,008,430
1,000,100,000		8,694,160	8,494,387	8,008,430
Reconciliation of net cash provided by operating activities to net result		5,55 ., 155	5, 10 1,001	0,000,100
Net result		(332,850)	(1,791,539)	(2,075,563)
Depreciation	6	3,320,987	3,282,335	3,257,557
(Profit)/loss on sale of asset	5	36,000	0	0
Adjustments to fair value of financial assets at fair value through profit and loss		0	0	(2,495)
(Increase)/decrease in receivables		0	(81,348)	(11,636)
(Increase)/decrease in other assets		0	451,405	24,156
Increase/(decrease) in payables		0	(1,762,461)	442,814
Increase/(decrease) in contract liabilities		0	(402)	0
Increase/(decrease) in employee provisions		0	(18,292)	94,912
Capital grants, subsidies and contributions		(2,711,466)	(297,108)	(1,163,857)
Net cash from operating activities		312,671	(217,410)	565,888

### **MATERIAL ACCOUNTING POLICES**

#### **CASH AND CASH EQUIVALENTS**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 3 - Net Current Assets.

#### FINANCIAL ASSETS AT AMORTISED COST

The Town classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

#### **MATERIAL ACCOUNTING POLICIES**

#### **RECOGNITION OF ASSETS**

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with Financial Management Regulation 17A (5). These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

#### 6. DEPRECIATION

	Budget	Actual
	\$	\$
By Class

#### MATERIAL ACCOUNTING POLICIES

#### DEPRECIATION

Economic services

Other Property & Services

Transport

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Major depreciation periods used for each class of depreciable

asset are: Buildings - specialised Furniture and equipment

Plant and equipment

Infrastructure - roads

Infrastructure - footpaths

Infrastructure - drainage Infrastructure - parks and ovals

Other infrastructure - miscellaneous Other infrastructure - Car parks

Right of use - buildings

Right of use - plant and equipment

All borrowing repayments, other than self supporting loans, will be financed by general purpose revenue. The self supporting loan(s) repayment will be fully reimbursed.

#### 7. BORROWINGS

#### (b) New borrowings - 2025/26

The Town does not intend to undertake any new borrowings for the year ended 30th June 2026

#### (c) Unspent borrowings

The Town had no unspent borrowing funds as at 30th June 2025 nor is it expected to have unspent borrowing funds as at 30th June 2026.

#### (d) Credit Facilities

2025/26 Budget	2024/25 Actual	2024/25 Budget
\$	\$	\$
1,023,674	1,399,858	1,753,978

#### Loan facilities

Loan facilities in use at balance date

#### **MATERIAL ACCOUNTING POLICIES**

# **BORROWING COSTS**

The Town has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

Borrowings fair values are based on discounted cash flows using a current borrowing rate.

#### 8. LEASE LIABILITIES

#### MATERIAL ACCOUNTING POLICIES

#### LEASES

At the inception of a contract, the Town assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the commencement date, a right-of-use asset is recognised at cost and a lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Town uses its incremental borrowing rate.

#### LEASE LIABILITIES

The present value of future lease payments not paid at the reporting date discounted using the incremental borrowing rate where the implicit interest rate in the lease is not readily determined.

	293,838	0	0	293,838	

#### 13. REVENUE AND EXPENDITURE

#### (a) Revenue and Expenditure Classification

#### **REVENUES**

#### **RATES**

All rates levied under the *Local Government Act 1995*. Includes general, differential, specific area rates, minimum payment, interim rates, back rates, ex-gratia rates, less discounts offered.

Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

#### **GRANTS, SUBSIDIES AND CONTRIBUTIONS**

All amounts received as grants, subsidies and contributions that are not capital grants.

#### **CAPITAL GRANTS, SUBSIDIES AND CONTRIBUTIONS**

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

#### **REVENUE FROM CONTRACTS WITH CUSTOMERS**

Revenue from contracts with customers is recognised when the local government satisfies its performance obligations under the contract.

#### **FEES AND CHARGES**

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

#### **SERVICE CHARGES**

Service charges imposed under *Division 6 of Part 6 of the Local* Government Act 1995. Regulation 54 of the Local Government (*Financial Management*) Regulations 1996 identifies the charges which can be raised. These are television and radio broadcasting, underground electricity and neighbourhood surveillance services and water. Exclude rubbish removal charges which should not be classified as a service charge. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

#### INTEREST REVENUE

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

#### OTHER REVENUE / INCOME

Other revenue, which cannot be classified under the above headings, includes dividends, discounts, rebates etc.

# PROFIT ON ASSET DISPOSAL

Gain on the disposal of assets including gains on the disposal of long-term investments.

#### **EXPENSES**

#### **EMPLOYEE COSTS**

All costs associated with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

Note AASB 119 Employee Benefits provides a definition of employee benefits which should be considered.

#### **MATERIALS AND CONTRACTS**

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses (such as telephone and internet charges), advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc.

Local governments may wish to disclose more detail such as contract services, consultancy, information technology and rental or lease expenditures.

#### **UTILITIES (GAS, ELECTRICITY, WATER)**

Expenditures made to the respective agencies for the provision of power, gas or water.

Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

#### **INSURANCE**

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

#### LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets.

#### **DEPRECIATION ON NON-CURRENT ASSETS**

Depreciation and amortisation expenses raised on all classes of assets.

#### FINANCE COSTS

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

#### OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or levies including DFES levy and State taxes. Donations and subsidies made to community groups.

# 13. REVENUE AND EXPENDITURE

# (b) Revenue Recognition

Recognition of revenue from contracts with customers is dependant on the source of revenue and the associated terms and conditions associated with each source of revenue and recognised as follows:

Revenue Category	Nature of goods and services	When obligations typically satisfied	Payment terms	Returns/Refunds/ Warranties	Timing of Revenue recognition
Grant contracts with customers	Community events, minor facilities, research, design, planning evaluation and services	Over time	Fixed terms transfer of funds based on agreed milestones and reporting	Contract obligation if project not complete	Output method based on project milestones and/or completion date matched to performance obligations as inputs are shared
Licences/ Registrations/ Approvals	Building, planning, development and animal management, having the same nature as a licence regardless of naming.	Single point in time	Full payment prior to issue	None	On payment and issue of the licence, registration or approval
Waste management entry fees	Waste treatment, recycling and disposal service at disposal sites	Single point in time	Payment in advance at gate or on normal trading terms if credit provided	None	On entry to facility
Airport landing charges	Permission to use facilities and runway	Single point in time	Monthly in arrears	None	On landing/departure event
Fees and charges for other goods and services	Cemetery services, library fees, reinstatements and private works	Single point in time	Payment in full in advance	None	Output method based on provision of service or completion of works
Sale of stock	Aviation fuel, kiosk and visitor centre stock	Single point in time	In full in advance, on 15 day credit	Refund for faulty goods	Output method based on goods

#### 14. PROGRAM INFORMATION

#### **Key Terms and Definitions - Reporting Programs**

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the Town's Community Vision, and for each of its broad activities/programs.

#### **OBJECTIVE**

#### Governance

To provide a decision making process for the efficient allocation of scarce resources.

#### General purpose funding

To collect revenue to allow for the provision of services.

#### Law, order, public safety

To provide services to help a safer and environmentally conscious community.

#### Health

To provide an operational framework of environmental and community health.

### **Education and welfare**

To provide services to disadvantaged persons, the elderly, children and youth.

#### Community amenities

To provide services required by the community.

#### Recreation and culture

To establish and effectively manage infrastructure infrastructure and resources which will help wellbeing of the community.

#### **Transport**

To provide safe, effective and efficient transport services to the community.

#### **Economic services**

To help promote the Town and its economic wellbeing.

#### Other property and services

To monitor and control the Town's overheads and operating accounts.

#### **ACTIVITIES**

Includes the activities of members of council and administrative support available to the council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific council services.

Rates, general purpose government grants and interest revenue.

Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.

Inspection of food outlets and their control, noise control and waste disposal compliance.

Maintenance of senior citizen centre and community care programs.

Rubbish collection services, operation of rubbish disposal sites, litter control, protection of the environment and administration of the town planning scheme.

Maintenance of public halls, civic centres, beaches and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of library and other cultural facilities.

Construction and maintenance of roads, footpaths, cycle ways, parking facilities and traffic control. Maintenance of street trees, street lighting etc.

Tourism and area promotion, Building control.

Engineering operating costs, plant repair and operation costs.

# **15. FEES AND CHARGES**

## **RECREATION & CULTURE**

## **EVENT VENUE HIRE**

Refer to Event/Facility Classification Policy regarding how events held at Town of Cottesloe facilities are classified and the appropriate fees charged.

Application for all venues are subject to approval. Terms and conditions apply.

Events include but are not limited to weddings, functions, corporate and commercial hire, of up to 200 people depending on venue limit.

Refer to conditions of use for details of a Town approved wedding or for external contracted company wedding.

#### SPECIAL EVENTS

(Large events as defined by Outdoor Concerts and Large Events Policy) CIVIC CENTRE

Bonds payable on all event applications, at time of application; as per Council Policy. See 'Public Hire - Civic Centre'

The following fees and bonds are in addition to any fees prescribed by regulation that may be applicable to the staging of an event.

Where noise monitoring and associated reports are specifically requested they are to be provided at the applicants cost.

Where there is to be amplified music, either from live bands or DJ's, the requirement is for noise levels to be monitored throughout the event or as directed by the Environmental Health Officer, and a report submitted.

As and when determined by the Environmental Health Officer, where an officer is required to attend an event for the purpose of
