

# Native Waterwise Verge Rebate

## Terms and Conditions

- The applicant must be a resident within the Town of Cottesloe.
- Only one rebate per household.
- Written permission must be obtained from the home owner including the landlord for a rental property or the body corporate or strata manager for a property that is part of a strata complex. Only one application will be accepted per strata complex.
- Existing native gardens are not eligible.
- Works can only be undertaken between April and July each year to be eligible for the Waterwise Verge Rebate. Gardens planted outside of these dates are not eligible.
- Landscaping must include 5-10cm (depth) of coarse mulch and waterwise plants (local native plants preferred, please refer to our website for recommended plant species: <https://www.cottesloe.wa.gov.au/residents/environment-and-sustainability/native-waterwise-verge-rebate.aspx>)
- Eligible items include: waterwise plants, mulch, slow release native fertiliser, soil wetting agent and soil improvers. The cost of delivery of plants, mulch or other items is not included in the total rebate cost.
- Tax invoices must state name of business purchased from, purchase date, ABN, list of items and costs.
- Applications must include:
  - Tax invoices for purchases of eligible items, and
  - Proof of residency showing name and current address (e.g. driver's licence, rates notice, lease agreement).
- Final inspection by a Council officer will be undertaken to ensure the works have been completed, and rebate approved.
- Applicants will be notified of the outcome of the application by email.
- An application does not automatically guarantee rebate success.
- This rebate is a one-off payment.
- The Town of Cottesloe will not be held responsible for incorrect or incomplete details on the application form.
- The Town of Cottesloe reserves the right to reject any application that does not comply with these Terms and Conditions.
- The Waterwise Verge Incentive Rebate will conclude on 1 October each year or when the allocated funds have been expended, whichever is first.
