

## Proposed Cottesloe Skate Park Project – Grant Marine Park

<b>1. When will construction start for this project?</b>	<p>The construction dates have not yet been determined.</p> <p>The Cottesloe Skate Park project is at the concept stage and is subject to community support, Council approval, detailed design and funding.</p>
<b>2. How much will the project cost?</b>	<p>It is anticipated that the project will cost approximately \$300,000 to \$700,000 depending on the size of the Skate Park and what's included.</p>
<b>3. How will it be funded?</b>	<p>The Town will explore the possibility of external funding.</p>
<b>4. What kind of equipment will be used for the proposed Skate Park?</b>	<p>Using feedback from broad community engagement, the Town is planning to conduct workshops with various groups including professional skaters to help determine the best fit for Cottesloe.</p>
<b>5. How big will the proposed skate park be?</b>	<p>Community feedback and funds available will determine the overall size.</p>
<b>6. Will the proposed Skate Park have amenities near by?</b>	<p>This will be considered as part of the overall design.</p>
