EVENT APPLICATION

Organiser of events held within the Town of Cottesloe must lodge an Event Application. Submission of the application form does not automatically imply approval and any incomplete sections will be taken to mean that the particular facility is not required.

The Town requires an application form for minor (less than 500 people) events to be submitted one calendar month prior to the event; all other event applications must be submitted at least six months prior to the event.

When completing the application please tick or highlight the appropriate response. If there is insufficient space, please attach as an appendix.

Please complete the enclosed and return to council@cottesloe.wa.gov.au. For further information please contact the Town of Cottesloe on 08 9285 5000.

25. Sustainability

The following sustainable practices are conditioned to all events:

- *Single use plastics including without limit balloons, plastic bottles, plastic bags that have a thickness of 35 microns or less, plastic takeaway containers and lids, plastic lined coffee cups/lids, plastic straws, plastic lolly sticks, plastic cutlery and single plastic wrapped lollies will not be used by the Applicant (and any parties under their control or supervision) in setting up, during or in clearing up after the event;*
- *No smoking;*
- *'H2O to Go' Water Station facilities are investigated for use;*
- *Western Metropolitan Regional Council 'Earth Carers' Event Waste Minimisation Checklist to be completed;*
- *Adequate arrangements for rubbish removal and collection, including the provision for recycling;*

The Town of Cottesloe Local Government Property Local Law 2001 (Consolidated) prohibits at clause 2.8(1)(i) "releasing an unsecured balloon inflated with a gas that causes it to rise in the air. Fines apply for breach of this Local Law, and applies to all events and food vans (and the like) approvals.

Exemptions may apply if the Applicant or the council requires the use of single use plastic items for medical reasons, where there is no reasonable alternative and the single use plastics are properly recycled or disposed of or stored safely and sustainably, or are removed from the Town of Cottesloe.

Cottesloe Reef is protected by a Fish Habitat Protection Area (FHPA), the only one in the Perth Metropolitan Area. The principal aim of the Cottesloe Reef FHPA is to preserve valuable fish and marine environments for the future use and enjoyment of all people. Plastic and balloon litter pose a significant risk to this very special marine environment.

North Cottesloe Primary School Parents and Citizens Association (Inc)

Town of Cottesloe
109 Broome Street
Cottesloe WA 6011

27 November 2019

Dear Gabrielle

Please find **attached** our event application form for the proposed North Cott Splash n Dash, which we hope to host on Saturday 28 March 2019.

The event, held from 2017 to 2018, has been a huge success enjoyed by all ages. It will again be run by the North Cottesloe Primary School P&C with the support of the North Cottesloe Surf Club. We hope to make the next event even better, especially with the generous \$5,000 community donation from the Town of Cottesloe toward running costs.

This event will not only be a community event but will also raise funds for the North Cottesloe Primary School and Melanoma WA. Proceeds from the event are allocated to provide valuable resources to assist with ongoing activities in the school community, such as the school's Science Technology Engineering & Maths (STEM) program and other programs that do not fit within the limited Budget framework.

2019 proceeds have been allocated to the school's STEM program. This has been shown to enhance STEM teaching practises and assist in delivering engaging STEM education in our school. It is well recognised that we need an increase in STEM skills to meet Australia's future job needs. Our program continues to do just that.

The P&C would like to use 2020 proceeds to enhance and build our STEM and literacy programs.

We are very excited about the prospect of holding this event again and hope that the Town of Cottesloe will further support it by waiving any application/ event fees.

Kind regards

P&C President
