

Proposed Wearne Redevelopment - Draft Concept Master Plan

Curtin Care is a not-for-profit registered charity. Its main purpose is the providing of aged care related services on a not for profit basis. Curtin Care owns and is the approved aged care provider for Wearne Cottesloe.

Curtin Care is currently undergoing planning to redevelop Wearne Cottesloe to meet the needs of future generations, and it has identified that this site can provide an increased number of high quality aged care accommodation and lifestyle options, including serviced apartments, independent living units and other amenities to meet the need for aged care in the community. For further information on Curtin Care please visit <http://www.curtincare.com.au/wearne-redevelopment>

As such, Curtin Care have developed a Draft Concept Master Plan, for which the land owners (Towns of Claremont, Cottesloe, Mosman Park and Shire of peppermint Grove) are seeking your comment.

Please contact your local government to receive a feedback form and return details.

Submissions closes 27 April 2018.
