22. Parking

The following sustainable practices are conditioned to all events:

- Single use plastics including without limit balloons, plastic bottles, plastic bags that have a thickness of 35 microns or less, plastic takeaway containers and lids, plastic lined coffee cups/lids, plastic straws, plastic lolly sticks, plastic cutlery and single plastic wrapped lollies will not be used by the Applicant (and any parties under their control or supervision) in setting up, during or in clearing up after the event;
- No smoking;
- 'H2O to Go' Water Station facilities are investigated for use;
- Western Metropolitan Regional Council 'Earth Carers' Event Waste Minimisation Checklist to be completed;
- Adequate arrangements for rubbish removal and collection, including the provision for recycling;

The Town of Cottesloe Local Government Property Local Law 2001 (Consolidated) prohibits at clause 2.8(1)(i) "releasing an unsecured balloon inflated with a gas that causes it to rise in the air. Fines apply for breach of this Local Law, and applies to all events and food vans (and the like) approvals.

Exemptions may apply if the Applicant or the council requires the use of single use plastic items for medical reasons, where there is no reasonable alternative and the single use plastics are properly recycled or disposed of or stored safely and sustainably, or are removed from the Town of Cottesloe.

Cottesloe Reef is protected by a Fish Habitat Protection Area (FHPA), the only one in the Perth Metropolitan Area. The principal aim of the Cottesloe Reef FHPA is to preserve valuable fish and marine environments for the future use and enjoyment of all people. Plastic and balloon litter pose a significant risk to this very special marine environment.
