## Event Description

The Celebration of the Motorcar is an upmarket exhibition of classic, exotic and prestige cars, held as a charity fundraising event. The cars are shown by invitation only to ensure only the very best are exhibited. Approximately 120-150 cars will be exhibited.

Many of Perth's premier collections are to be represented. Several cars will be shown to the public for the first time.

The event has been held along the same lines since 2012 following the successful format of the same exhibition which was run at the Cottesloe Civic Centre from 1993 for five years.

The charity beneficiary is Wheels for Hope, to which all profits will go ([www.wheelsforhope.org.au](http://www.wheelsforhope.org.au)).

Classical music will be performed live on the Sunday, but will be non-amplified, as per past years.

The cars will all be roped-off to ensure the public do not touch them, however this will be done with silk ribbon to add to the ambience of the day.

We anticipate good support from the dealers in prestige and exotic cars with examples of the latest models complimenting the classic and vintage models of their marques.

General public event admittance fees for the motoring exhibition will be unchanged and are as follows:

- Adults admission                    \$20
- Children admission                \$10
- Family admission                 \$50    (2 adults and up to 4 children)

*Previously approved location for main sign at public entrance.*

## Traffic management

On the Saturday only a few cars will be brought into the venue, each being parked on the Lower Lawn until after the wedding which is booked for the Main Lawn. Thus very little traffic movement is required on the Saturday.

We intend inviting some historic racing cars, and the aim will be to bring them in as per last year, on the Saturday. The cars would be unloaded from trailers at Harvey Field carpark, then driven to the Playground Lawn entrance and placed for display. A Temporary Suspension of Regulations for the relevant part of Broome Street will be required for this, as was done successfully last year.

For the Sunday, the event will run with two entrances for accessing display areas. This was trialled last year and proved very successful. The lower (northern) entrance gate on Broome Street will be the entrance for the Lower Lawn. The top of the hill driveway to the Main Lawn. At the end of the day, flow of traffic, including exiting display cars will work in the same manner.

Marshals wearing high-vis vests will be placed at the entry points, the ramp to the lower lawn and the exit gate at appropriate times. Arrow signs will also be placed to assist.

The key marshals will be in 2-way radio contact with the display co-ordinator.

Once the arrival time for display cars is finished, the gates on Broome Street will be locked, with the exception of the pedestrian gate closest to Napier St, which will be open to public access.

Display areas on the lawns will have approximately 5-metre wide walkways between them, sufficient to allow emergency vehicle access if required.

In previous years, the Town of Cottesloe arranged parking direction signs and toilet direction signs supplied by and placed by the Town of Cottesloe on the day – it is anticipated the same will be in place for 2017.

At 10.30am the public entry gate will open. During the event, two entry and exit point will be available to visitors. This is the entry on Napier Street and the driveway on Broome St closest to Napier St (giving wheelchair access). These will also be the exit points for visitors.

To assist with the free flow of visitors, the parking bays immediately in front of the entry point on Napier St will be blocked by traffic marker cones, to be supplied and placed by the event organizers. Some display cars will be placed here as done successfully the last few years, as an attraction to the event.

## **Additional infrastructure**

**Signage** for the event will primarily be an entrance sign, as previously approved by the Town of Cottesloe, plus some small signs placed around the displays. Each car will have a sign on its windscreen describing the vehicle.

A public **entry point** between the two toilet blocks at the top of the stairs at the Napier Street entrance will have a small shade tent erected where officials will manage the selling of entry to the event. They will be supplied with tables and chairs. Sun screen will be available to visitors at this location, at no cost.

Some **small shade tents** will be erected at locations among the displays, allowing the public somewhere to sit and rest if the weather is very hot. These are not large marquees and do not have long tent pegs or anything which can risk reticulation. Refer to final site diagram for their locations.

For the Sunday, **food and beverage** vendors will be restricted to one location, along the eastern-most edge of the upper lawn. The Town of Cottesloe has previously provided details of nearby power outlets for this purpose. The raised stage area adjacent may be used for this also. A coffee van will be placed on the lower lawn to serve visitors and exhibitors in that area. Following detailed discussions with the organizers for 2012's and the following years' requirements, Beaumonde Catering advised their position of non-involvement direct to the Town of Cottesloe. It is anticipated that the same would apply for this year's exhibition. Details of the vendors will be provided by vendors in accordance with Town of Cottesloe requirements. No alcohol will be served on the day.

A VIP area was successfully run the past two years, being on the raised area at the Upper Lawn. Pop-up 3x3 marquees were erected there and chairs and tables provided. This is planned again for 2017.

We are satisfied that the existing **toilets** are sufficient for the number of people expected and the duration of visitors' stay. They have proven sufficient when the event was previously held here.

**Fencing panels** will be placed by a fence supply company, which has all the necessary certification for temporary fencing. These are to be located in areas to stop members of the public walking in from other areas.

The **rubbish bins** which are padlocked to poles in the grounds will need to be unlocked so that they can be moved from what will become inside car display areas. The Town of Cottesloe undertook to provide rubbish bins for the day in past years satisfactorily and we would hope the same can be arranged again. Quantity and locations to be determined.

## **Other details**

**Public liability insurance** will be on the charity's policy, details of which will be provided separately.

A map of the **display layout** will be provided closer to the event. The layout is dependent upon RSVP responses from owners of invited cars. It will be similar to last year.

## Risk Management Plan

Assessment of each of the risks listed as follows:

- ▶ Likelihood - Almost Certain (A), Possible (B), Doubtful (C) or Rare (D)
- ▶ Consequence - Insignificant (1), Minor (2), Major (3) or Disastrous (4)

Category of Risk	Risk	L	C	Prevention/Action
<b>LOW RISK</b>				
HUMAN BEHAVIOUR	Rowdiness/drunken visitors	D	1	Officials manning the sole entry point will have the discretion to not allow patrons in who appear to be under the influence of excessive alcohol. If needs be Police can be called. Extremely unlikely.
	Litter	D	1	Garbage bags will be brought by the organizers in case of litter beyond what the on-site bins can deal with. Additional bins may be provided by the Town of Cottesloe. A clean-up by event staff will be conducted after event concludes.
	People wanting to go in where access is not allowed	D	2	Temporary fencing will restrict access to the Napier St entry point. Officials with 2-way radios will patrol the fenced areas periodically.
ENVIRONMENTAL	Extreme wet weather	B	1	Event continues regardless of weather conditions Officials will be equipped for wet weather
	Extreme hot weather	C	1	Event continues regardless of weather conditions Officials will be equipped for hot weather
	Fire in nearby area	D	2	Officials would contact Emergency Services. Officials equipped with emergency contact list and mobile phone.
	Participating car catching fire	D	2	The officials area will be equipped with small automotive fire extinguishers in case of a car catching alight.
	Noise	C	1	All vehicles comply with 95dba regulations as apply to all normal traffic. No amplification is to be used by musicians present. Excess noise unlikely
<b>MEDIUM RISK</b>				
VEHICLE DRIVING	Car hitting object	D	2	Exhibitors are extremely careful with their precious cars. The Chairman of the event would be contacted by an official, or the participant to evaluate the situation and take appropriate action. This is an extremely unlikely situation. Once parked for display vehicles remain in situ until the show is over and public has been asked to leave.
	Vehicle breakdowns	D	1	All cars are checked at Scrutineering before the event. Stage Commander can instruct officials to help remove a car if it cannot run
	Vehicle fire	D	2	See above
<b>HIGH RISK</b>				
VEHICLE DRIVING	Car injuring people	D	3	Vehicles will only move during set up and removal periods, during which the event is not open to the public. Cars will only move slowly, and under the guidance of officials who will be directing cars where to park. Once in place, no cars will move. Officials will have medical response plan.

## **WHEELS FOR HOPE**

Wheels for Hope is a program of the Western Australian Motor Industry Foundation, which was established in 2008 by key members of the Automotive Industry in WA.

Wheels for Hope's primary focus is to assist WA families with disabilities who do not have the benefit of mobility – families who do not have suitable transportation to access critical medical and remedial care, educational opportunities and community events.

Wheels for Hope has a fleet of 60 wheelchair hoist vehicles which are loaned to eligible families, with Wheels for Hope covering the ongoing costs of insurance, registration, servicing and maintenance, with the only expense to the family being fuel – a service unique in Australia.

Management of the Foundation is under the guidance of a volunteer board of directors and the day to day operations are carried out by three part-time staff.

Wheels for Hope has a significant waiting list for people seeking assistance. Funds raised from Celebration of the Motorcar will be used to help Wheels for Hope maintain and grow its fleet and assist more WA families to gain mobility and have a better chance of contributing to, and taking part in community life.

Support of Wheels for Hope will help a large number of Western Australian families to get to medical and therapy appointments, attend school and go out as a family. The recipients of Wheels for Hope loan vehicles are the ultimate beneficiaries of your support and we thank you for helping us to help these families.

Wheels for Hope will be providing many of the volunteers to help Celebration of the Motorcar run smoothly.

For more information on the ways that you can be involved assisting Wheels for Hope, please contact us on 9233 9808 or email [info@wheelsforhope.org.au](mailto:info@wheelsforhope.org.au).
