

PETITION

We the undersigned, being the electors of the district, formally petition the Town of
 Ottesloe to address the following:

Reverse the Council's decision force the removal of temporary tables and seating in
 the area between Barchetta café and the Blue Duck Café.

This area provides a much loved and needed area for the community to meet and chat
 over a cup of coffee.

What is the big deal??

To the Town of Cottesloe
PO Box 606
COTTESLOE WA 6911

We the undersigned, being community members who regularly meet with family and friends at North Cottesloe, formally petition the Town of Cottesloe to address the following:

Reverse Council's decision to not allow temporary tables and seating in the area between Barchetta Café and the Blue Duck Café for the following reasons:

1. The area brings life to an otherwise empty concrete space
2. It is the preferred space for families and friends to enjoy take-a-way coffee as it provides the space for people with young children and dogs on leads to sit in the open air and enjoy a coffee.
3. It provides the space for social distancing which is especially important in these times.
4. It is an area where take-a-way coffee from all three local café's may be consumed.
