Subject: [LIKELY_SPAM]W3160:L6560 - Default of Lease (Cottesloe) - Beautification lease used for Car Parking.

Hi Geoff,

We refer to the attached snip image and wish to remind the Town of Cottesloe that under the terms of the licence agreement, parking is not prohibited at this location. The permitted use for this site is landscaping and beautification.

Could the Town, please ensure that the land is utilised as per the licence agreement and not for parking.

Should you wish to discuss please contact this office.

Kind Regards,

Burgess Rawson
