

TOWN OF COTTESLOE POLICY

STREETSCAPE DESIGN

Council resolved to adopt the Streetscape Policy and Manual prepared by Eighth Element Design and Ian James Urban Design as Town of Cottesloe Policy subject to the following additions:

- (1) Section 2.1 – reference to the use of environmentally sustainable materials
- (2) Page 7 – under “location” emphasis that bins should not dominate the landscape
- (3) Under reference to bollards – include potential for bollard lighting in some areas.
