

CITIZEN OF THE YEAR AWARDS

Nominations for the 2024 Community Citizen of the Year Awards are now open. Each year the Town acknowledges individuals and local organisations that have made an outstanding contribution during the year or contribute to the local community year after year.

The Town of Cottesloe is calling for nominations for Community Citizen of the Year, Young Community Citizen of the Year – Youth (at least 16 years of age), Senior Citizen of the Year (over 65 years of age) and Active Citizenship – Group or Event.

This is your opportunity to help us acknowledge the contribution and celebrate the engagement of our community. We encourage you to nominate someone who makes our community a better place! We would especially like to hear about people making an outstanding contribution from our youth community. The awardee of this category will receive \$2,000 from the Town for a personal or professional development program.

Find out more and make a nomination at www.citizenshipawards.com.au. Nominations close 31 October 2023.

TIME FOR A SPRING CLEAN

Spring is a great time for a clean up! For anything that can't be donated or given away a Verge Valet service can be booked at a time that suits you.

Verge Valet has been a great success with many local Councils now offering it to their community. Up to two bulk waste collections and one green waste collection is available to households each year. If additional green waste collections are preferred, one or both of the bulk waste collections can be changed to green.

Verge Valet is for rubbish – before booking the service please check the options available to gift, sell, donate, fix or swap items in the first instance. Find out more about how to donate used items and how to book a Verge Valet collection at vegevalet.com.au or contact the Town on 9285 5000 for assistance.
