INTRODUCTION

Under the *Local Government Act 1995*, Council is required to adopt an Annual Budget between 1 June and 31 August each financial year.

Three budget workshops were conducted between April and July 2024 to set the budgetary direction and inform the development of the 2024/25 Annual Budget. These workshops included detailed presentations and documentation, which provided Elected Members with opportunities to ask questions and offer direction to the administration in developing the draft budget and its various components.

The budget has been prepared in accordance with the requirements of the *Local Government Act* 1995, the *Local Government (Financial Management) Regulations* 1996, and *Australian Accounting Standards*. It reflects the principles and feedback discussed with Elected Members during the budget workshops, with a focus on 'green' and community infrastructure, and sustainability.

The Town proposes a balanced budget for 2024/25, with neither a surplus nor a deficit. The estimated opening cash surplus for 2024/25 is \$2,212,225, representing the unspent budget balance from various projects in 2023/24. This surplus will be utilised to complete these projects in 2024/25. The final figure for the 2023/24 cash surplus will be determined through end-of-year processing and audit.

The proposed General Rates are determined after considering all other sources of revenue, available reserve funding, expenditure requirements, efficiency and savings measures, and associated cost increases.

Below are the key inclusions in the proposed 2024-25 Annual Budget:

1. Operating Budget

The draft operating budget provides for the Town's day-to-day operations. The net operating budget position has improved by \$751K from last year's budget. Significant movements in revenue and expenditure include:

- Separation of waste charges from Rates, resulting in a \$2M decrease in Rates revenue, with an associated increase in Fees and Charges revenue.
- A 5.4% increase in rates, resulting in an additional \$715K after separating waste charges.
- An increase in Operating Grants due to the Federal Assistance Grant (\$320K) not recognised in the 2023/24 budget.
- Increased employment costs due to the renewal of the Employee Industrial Agreement; Leave Provision previously not recognised (\$142K); conversion of a Business Analyst position from contractor to employee (\$80K); and a carry forward of direct employee costs (\$89K) associated with the ERP Project (Enterprise Resource Planning).
- Increased Materials and Contract costs based on the Local Government Cost Index of 3.6% and contracted increases under service delivery agreements.
- Key strategic projects and initiatives including:
 - Green Infrastructure Management Plan: \$100K for initiatives that progresses towards canopy cover of 30% by 2040
 - o Natural Areas Management Plan: \$546k for coastal dune restoration and preservation
 - John Black Dune Park: \$80K for stage 2 landscaping

- Anderson Pavilion solar panels: \$20k This meets the renewable energy objective as part
 of the Town's participation in the Cities Power Partnership Program
- Asset Management Plan: \$118K
- Town Planning Scheme Consultant: \$125K
- Carried forward for the Cottesloe Village Precinct Plan: \$220K
- Carried forward for the Local Planning Strategy Review: \$133K
- Carried forward for the Enterprise Resource Planning Upgrade: \$617K

2. Capital Budget

A capital works program totalling \$3M entailing investment in infrastructure, land and buildings, plant and equipment and furniture and equipment is proposed. Key projects include:

Shark Barrier Renewal: \$400K

o Groyne Access Ramp Works: \$150K

New South Cottesloe Toilet: \$200K

149 Marine Parade Toilet Upgrade (partially carry forward): \$187K

o Carry forward for the Eric Street Shared Path Lighting Upgrade: \$276K

Carry forward for the Harvey Field Playground Upgrade: \$290K

Carry forward for the Beach Access Path Upgrade: \$130K

3. Reserves

The Town forecasts a closing balance of \$8M in reserves for 2024/25. Major proposed movements include:

- An \$812K transfer to reserves to assist in funding future asset management needs, including: Property Reserves \$376K, Infrastructure Reserves \$331K, Green Infrastructure and Sustainability Initiatives Reserve \$100K, and Shark Barrier Reserve \$5K.
- An estimated \$329K interest earned on reserve funds, based on the reserves' opening balance and an interest rate of 4.2%.
- A total of \$466K drawdown from Reserves to fund Capital Works Programs, including transfers from the Property Reserve for the 149 Marine Parade Toilet Upgrade (\$117K), the Right of Way Reserve for ROW4B upgrade (\$70K), carry forward for the Anderson Pavilion Development (\$53K), and various immaterial amounts for other projects.
- Transfer from the Green Infrastructure and Sustainability Initiatives Reserve for the Green Infrastructure Management Plan: \$100K.
- Transfer from the Information Technology Reserve for the Enterprise Resource Planning upgrade: \$406K.

4. Fees and Charges

As a general rule, a 3.6% increase has been applied to the 2024/25 Fees and Charges in response to inflationary pressures and in alignment with the Local Government Cost Index, and rounded up to the nearest \$5. Notable changes include:

- Interest on outstanding debtors/rates increased to 8%, aligning with pre-COVID levels, noting that the maximum statutory interest rate is 11%.

- For electronically available Council documents (at no charge), the fee for hard copies has been increased to discourage printing and save on carbon emissions.
- Facility hire fees have been reviewed based on current demand and usage, with some fees significantly modified. A 50% discount for community hire and a 25% premium charge for the hire of the Anderson Pavilion have been standardised.
- Fees stated as 'Actual Cost' in previous Fees and Charges Schedules now include a 10% administration fee to cover officer time.
- Waste fees have been adjusted based on recalculated waste costs and the removal of waste charges from Rates.
- Dog and cat associated fees have been equalised and increased based on neighbouring local government fees.
- Removal of rodent bait purchases as the service is no longer provided.

5. Community Donations

The budget includes \$20K for Community Donations. A list of community group and organisation's grant requests and recommendations, including the rationale behind them, was presented to Elected Members at Budget Workshop 2 held on 7 June 2024. A total of 9 applications were received for the 2024/25 financial year, with 6 applications being recommended for support or partial support.

6. Loans

No new loans are proposed in the 2024/25 draft Budget.

Repayment of the Grove Library loan will continue, with the outstanding balance reduced to \$1,717,951 as of 30 June 2025. This loan will be fully repaid in September 2029.

TOWN OF COTTESLOE STATEMENT OF COMPREHENSIVE INCOME FOR THE YEAR ENDED 30 JUNE 2025

| Note 15 | Revenue and Expenditure | 29 |
| Note 16 | Program Information | 31 |
| Note 17 | Fees and Charges | 32 |

1 BASIS OF PREPARATION

The annual budget is a forward looking document and has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the Local Government Act 1995 read with the Local Government (Financial Management) Regulations 1996 prescribe that the annual budget be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Town to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this annual budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the annual budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

The local government reporting entity

All funds through which the Town controls resources to carry on its functions have been included in the financial statements forming part of this annual budget.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 14 to the annual budget.

2023/24 actual balances

Balances shown in this budget as 2023/24 Actual are estimates as forecast at the time of preparation of the annual budget and are subject to final adjustments.

Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure.

Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Rounding off figures

All figures shown in this statement are rounded to the nearest dollar.

Statement of Cashflows

Investing and financing transactions that do not require the use of cash or cash equivalents shall be excluded from a statement of cash flows. Such transactions shall be disclosed elsewhere in the financial statements in a way that provides all the relevant information about these investing and financing activities.

Initial application of accounting standards

During the budget year, the below revised Australian Accounting Standards and Interpretations are expected to be compiled, become mandatory and be applicable to its operations.

- · AASB 2020-1 Amendments to Australian Accounting Standards
- Classification of Liabilities as Current or Non-current
- AASB 2022-5 Amendments to Australian Accounting Standards
- Lease Liability in a Sale and Leaseback
- AASB 2022-6 Amendments to Australian Accounting Standards
 Non-current Liabilities with Covenants
- Non-current Liabilities with Covenants
- AASB 2023-1 Amendments to Australian Accounting Standards
 Supplier Finance Arrangements
- AASB 2023-3 Amendments to Australian Accounting Standards
 Disclosure of Non-current Liabilities with Covenants: Tier 2

It is not expected these standards will have an impact on the annual budget.

- · AASB 2022-10 Amendments to Australian Accounting Standards
- Fair Value Measurement of Non-Financial Assets of Not-for-Profit Public Sector Entities, became mandatory during the budget year. Amendments to AASB 13 Fair Value Measurement impacts the future determination of fair value when revaluing assets using the cost approach. Timing of future revaluations is defined by regulation 17A of Local Government (Financial Management) Regulations 1996. Impacts of this pronouncement are yet to be quantified and are dependent on the timing of future revaluations of asset classes. No material impact is expected in relation to the 2024-25 statutory budget.

New accounting standards for application in future years

The following new accounting standards will have application to local government in future years:

- · AASB 2014-10 Amendments to Australian Accounting Standards
- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture
- · AASB 2021-7c Amendments to Australian Accounting Standards
- Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections [deferred AASB 10 and AASB 128 amendments in AASB 2014-10 apply]
- AASB 2022-9 Amendments to Australian Accounting Standards
- Insurance Contracts in the Public Sector
- AASB 2023-5 Amendments to Australian Accounting Standards
- Lack of Exchangeability

It is not expected these standards will have an impact on the annual budget.

Judgements, estimates and assumptions

The preparation of the annual budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- estimation of fair values of land and buildings and investment property
- impairment of financial assets
- estimation uncertainties and judgements made in relation to lease accounting
- estimated useful life of assets
- · estimation of provisions
- estimation of fair value of leases

2. RATES AND SERVICE CHARGES

The Town did not raise specified area rates for the year ended 30th June 2025.

All rateable properties within the district used predominately for non-rural purposes are rated according to their Gross Rental Valuation (GRV), all other properties are rated according to their Unimproved Valuation (UV).

The general rates detailed for the 2024/25 financial year have been determined by Council on the basis of raising the revenue required to meet the estimated deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than general rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

2. RATES AND SERVICE CHARGES (CONTINUED)

(b) Interest Charges and Instalments - Rates and Service Charges

The following instalment options are available to ratepayers for the payment of rates and service charges.

| Instalment options | Date due | Instalment plan admin charge | Instalment plan interest rate | Unpaid rates interest rates |
|-----------------------------|-----------------------|---------------------------------|----------------------------------|------------------------------|

3. NET CURRENT ASSETS

EXPLANATION OF DIFFERENCE IN NET CURRENT ASSETS AND SURPLUS/(DEFICIT)

Items excluded from calculation of budgeted deficiency

When calculating the budget deficiency for the purpose of Section 6.2 (2)(c) of the Local Government Act 1995 the following amounts have been excluded as provided by Local Government (Financial Management) Regulation 32 which will not fund the budgeted expenditure.

(c) Non-cash amounts excluded from operating activities

| The following non-cash revenue or expenditure has been excluded from | |
|--|--|
| amounts attributable to operating activities within the Statement of Financial | |
| Activity in accordance with Financial Management Regulation 32. | |

| amounts attributable to operating activities within the Statement of Financial Activity in accordance with <i>Financial Management Regulation 32</i> . | Note | 2024/25 Budget 30 June 2025 | 2023/24 Actual 30 June 2024 | 2023/24 Budget 30 June 2024 |
|--|------|-----------------------------------|-----------------------------------|-----------------------------------|
| Adjustments to operating activities | | \$ | \$ | \$ |
| Less: Profit on asset disposals | 5 | 0 | (85,234) | 0 |
| Less: Fair value adjustments to investment property at fair value through profit or loss | | (2,495) | | |
| Add: Depreciation | 6 | 3,257,557 | 3,194,214 | 3,261,295 |
| Non-cash movements in non-current assets and liabilities: | | | | |
| - Pensioner deferred rates | | (238) | (32,101) | |
| - Employee provisions | | 80,569 | 458,214 | |
| Non cash amounts excluded from operating activities | | 3,335,393 | 3,535,093 | 3,261,295 |

3. NET CURRENT ASSETS

(d) MATERIAL ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Town's operational cycle. In the case of liabilities where the Town does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Town's intentions to release for sale.

TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the Town prior to the end of the financial year that are unpaid and arise when the Town becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

PREPAID RATES

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Town recognises revenue for the prepaid rates that have not been refunded.

INVENTORIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

SUPERANNUATION

The Town contributes to a number of superannuation funds on behalf of employees. All funds to which the Town contributes are defined contribution plans.

LAND HELD FOR RESALE

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on the Town's intentions to release for sale.

GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for grants, contributions, reimbursements, and goods sold and services performed in the ordinary course of business.

Trade and other receivables are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components, when they are recognised at fair value.

Trade receivables are held with the objective to collect the contractual cashflows and therefore the Town measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

The Town applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

PROVISIONS

Provisions are recognised when the Town has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

EMPLOYEE BENEFITS

Short-term employee benefits

Provision is made for the Town's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Town's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the determination of the net current asset position. The Town's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the determination of the net current asset position.

Other long-term employee benefits

Long-term employee benefits provisions are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Town's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Town does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

4. RECONCILIATION OF CASH

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

| | Note | 2024/25 Budget | 2023/24 Actual | 2023/24 Budget |
|--|------|-------------------|-------------------|-------------------|
| | | \$ | \$ | \$ |

| | | | | |

MATERIAL ACCOUNTING POLICES

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 3 - Net Current Assets.

FINANCIAL ASSETS AT AMORTISED COST

The Town classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

5. PROPERTY, PLANT AND EQUIPMENT

The following assets are budgeted to be acquired and/or disposed of during the year.

| The following abboto are badgeted to be | | 2024/25 Budget | | | 2023/24 | Actual | 2023/24 Budget | | | |

MATERIAL ACCOUNTING POLICIES

RECOGNITION OF ASSETS

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

GAINS AND LOSSES ON DISPOSAL

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

MATERIAL ACCOUNTING POLICIES

DEPRECIATION

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Major depreciation periods used for each class of depreciable asset are:

Buildings - specialised 30 to 100 years Furniture and equipment 3 to 30 years Plant and equipment 5 to 10 years Infrastructure - roads 20 to 100 years Infrastructure - footpaths 20 to 60 years Infrastructure - drainage 80 to 100 years 10 to 80 Years Infrastructure - parks and ovals Other infrastructure - car parks 20 to 100 years 10 to 80 Years Other infrastructure - miscellaneous

Right of use - buildings

Based on the remaining lease
Right of use - plant and equipment

Based on the remaining lease

AMORTISATION

The depreciable amount of all intangible assets with a finite useful life, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held for use.

The assets residual value of intangible assets is considered to be zero and useful live and amortisation method are reviewed at the end of each financial year.

Amortisation is included within Depreciation on non-current assets in the Statement of Comprehensive Income.

7. BORROWINGS

(a) Borrowing repayments

Movement in borrowings and interest between the beginning and the end of the current financial year.

All borrowing repayments, other than self supporting loans, will be financed by general purpose revenue. The self supporting loan(s) repayment will be fully reimbursed.

7. BORROWINGS

(b) New borrowings - 2024/25

The Town does not intend to undertake any new borrowings for the year ended 30th June 2025

(c) Unspent borrowings

The Town had no unspent borrowing funds as at 30th June 2024 nor is it expected to have unspent borrowing funds as at 30th June 2025.

(d) Credit Facilities

| y Grount rushings | 2024/25 Budget | 2023/24 Actual | 2023/24 Budget |

| | \$ | \$ | \$ |
| Loan facilities | | | |
| Loan facilities in use at balance date | 1,753,978 | 2,108,097 | 2,108,088 |
| MATERIAL ACCOUNTING POLICIES | | | |

BORROWING COSTS

The Town has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

Borrowings fair values are based on discounted cash flows using a current borrowing rate.

MATERIAL ACCOUNTING POLICIES

LEASES

At the inception of a contract, the Town assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the commencement date, a right-of-use asset is recognised at cost and a lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Town uses its incremental borrowing rate.

LEASE LIABILITIES

The present value of future lease payments not paid at the reporting date discounted using the incremental borrowing rate where the implicit interest rate in the lease is not readily determined.

9. RESERVE ACCOUNTS

(a) Reserve Accounts - Movement

9. RESERVE ACCOUNTS

(b) Reserve Accounts - Purposes

In accordance with Council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

| Reserve name | Purpose of the reserve |
|---|--|
| (a) Payment in lieu of parking plan reserve | The purpose of this reserve is, in accordance with the Council's Town Planning Scheme, to set aside funds from developers for the development of parking facilities. |
| (b) Active transport reserve | To be used for the purpose of developing and maintaining active transport infrastructure within the suburb of Cottesloe. |
| (c) Civic centre reserve | To fund the cost of improvement, renovations and extensions to the buildings that make up Cottesloe Civic Centre. |
| (d) Foreshore redevelopment reserve | To be used to fund the development of the Cottesloe foreshore. |
| (e) Green infrastructure and sustainabilities initiatives reserve | To be used for the purpose of developing, commencing and implementing the Green Infrastructure Management Strategy within the suburb of Cottesloe and to fund new or enhance existing sustainability initiatives within the suburb of Cottesloe. |
| (f) Information technology reserve | To be used for the purpose of developing and renewing information technology assets within the suburb of Cottesloe, including replacement of the parking system and core business system. |
| (g) Infrastructure reserve | To contribute towards ongoing future infrastructure construction/renewal within the suburb of Cottesloe which includes the following categories of infrastructure, roads, drainage, footpaths, parks and ovals, irrigation, streetscapes and miscellaneous infrastructure. |
| (h) Leave Reserve | To partially cash back the accumulated employee leave liability and to fund the payment of accumulated leave entitlements for Town of Cottesloe staff. |
| (i) Legal reserve | To contribute towards unanticipated legal expenses incurred by the Town of Cottesloe. |
| (j) Library reserve | To be used for the upgrade and/or replacement of Library facilities. |
| (k) Property reserve | To contribute towards future property construction/renewal within the Town of Cottesloe. |
| (I) Public open space reserve | To be used to fund the enhancement of existing, and creation of new, public open space within the suburb of Cottesloe to cater for the needs of all ages and abilities of the Town's youth. |
| (m) Recreation precinct reserve | To be used for the purpose of developing and implementing improvements to the Town's recreation precincts. |
| (n) Right of way reserve | To be used to fund the improvement of right of ways within the suburb of Cottesloe. |
| (o) Sculpture and artworks reserve | To be used for the acquisition of new and restoration of existing sculptures and artworks within the suburb of Cottesloe. |
| (p) Shark barrier reserve | To develop and replace the shark barrier within the suburb of Cottesloe. |
| (q) Waste management reserve | To fund the improvement, replacement and expansion of waste management plant, equipment, facilities and services within the suburb of Cottesloe. |
| | |

| | 281,045 | 1,000 | 0 | 282,045 |

15. REVENUE AND EXPENDITURE

(a) Revenue and Expenditure Classification

REVENUES

RATES

All rates levied under the *Local Government Act 1995*. Includes general, differential, specific area rates, minimum payment, interim rates, back rates, ex-gratia rates, less discounts offered. Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

GRANTS, SUBSIDIES AND CONTRIBUTIONS

All amounts received as grants, subsidies and contributions that are not capital grants.

CAPITAL GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

REVENUE FROM CONTRACTS WITH CUSTOMERS

Revenue from contracts with customers is recognised when the local government satisfies its performance obligations under the contract.

FEES AND CHARGES

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

SERVICE CHARGES

Service charges imposed under *Division 6 of Part 6 of the Local* Government Act 1995. Regulation 54 of the Local Government (*Financial Management*) *Regulations 1996* identifies the charges which can be raised. These are television and radio broadcasting, underground electricity and neighbourhood surveillance services and water. Exclude rubbish removal charges which should not be classified as a service charge. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

INTEREST REVENUE

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

OTHER REVENUE / INCOME

Other revenue, which cannot be classified under the above headings, includes dividends, discounts, rebates etc.

PROFIT ON ASSET DISPOSAL

Gain on the disposal of assets including gains on the disposal of long-term investments.

EXPENSES

EMPLOYEE COSTS

All costs associated with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

Note AASB 119 Employee Benefits provides a definition of employee benefits which should be considered.

MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses (such as telephone and internet charges), advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc.

Local governments may wish to disclose more detail such as contract services, consultancy, information technology and rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER)

Expenditures made to the respective agencies for the provision of power, gas or water.

Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation and amortisation expenses raised on all classes of assets.

FINANCE COSTS

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or levies including DFES levy and State taxes. Donations and subsidies made to community groups.

15. REVENUE AND EXPENDITURE

(b) Revenue Recognition

Recognition of revenue from contracts with customers is dependant on the source of revenue and the associated terms and conditions associated with each source of revenue and recognised as follows:

| Revenue Category | Nature of goods and services | When obligations typically satisfied | Payment terms | Returns/Refunds/ Warranties | Determination of transaction price | Allocating transaction price | Measuring obligations for returns | Timing of Revenue recognition |
|---|--|--------------------------------------|--|---|--|---|---|--|
| Grant contracts with customers | Community events, minor facilities, research, design, planning evaluation and services | Over time | Fixed terms transfer of funds based on agreed milestones and reporting | Contract obligation if project not complete | Set by mutual agreement with the customer | Based on the progress of works to match performance obligations | Returns limited to repayment of transaction price of terms breached | Output method based on project milestones and/or completion date matched to performance obligations as inputs are shared |
| Licences/ Registrations/ Approvals | Building, planning, development and animal management, having the same nature as a licence regardless of naming. | Single point in time | Full payment prior to issue | None | Set by State legislation or limited by legislation to the cost of provision | | No refunds | On payment and issue of the licence, registration or approval |
| Waste management entry fees | Waste treatment, recycling and disposal service at disposal sites | Single point in time | Payment in advance at gate or on normal trading terms if credit provided | None | Adopted by council annually | Based on timing of entry to facility | Not applicable | On entry to facility |
| Airport landing charges | Permission to use facilities and runway | Single point in time | Monthly in arrears | None | Adopted by council annually | Applied fully on timing of landing/take-off | Not applicable | On landing/departure event |
| Fees and charges for othe goods and services | Cemetery services, library fees, reinstatements and private works | Single point in time | Payment in full in advance | None | Adopted by council annually | Applied fully based on timing of provision | Not applicable | Output method based on provision of service or completion of works |
| Sale of stock | Aviation fuel, kiosk and visitor centre stock | Single point in time | In full in advance, on 15 day credit | Refund for faulty goods | Adopted by council annually, set by mutual agreement | Applied fully based on timing of provision | Returns limited to repayment of transaction price | Output method based on goods |

16. PROGRAM INFORMATION

Key Terms and Definitions - Reporting Programs

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the Town's Community Vision, and for each of its broad activities/programs.

OBJECTIVE

Governance

To provide a decision making process for the efficient allocation of scarce resources.

General purpose funding

To collect revenue to allow for the provision of services.

Law, order, public safety

To provide services to help a safer and environmentally conscious community.

Health

To provide an operational framework of environmental and community health.

Education and welfare

To provide services to disadvantaged persons, the elderly, children and youth.

Community amenities

To provide services required by the community.

Recreation and culture

To establish and effectively manage infrastructure infrastructure and resources which will help wellbeing of the community.

Transport

To provide safe, effective and efficient transport services to the community.

Economic services

To help promote the Town and its economic wellbeing.

Other property and services

To monitor and control the Town's overheads and operating accounts.

ACTIVITIES

Includes the activities of members of council and administrative support available to the council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific council services.

Rates, general purpose government grants and interest revenue.

Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.

Inspection of food outlets and their control, noise control and waste disposal compliance.

Maintenance of senior citizen centre and community care programs.

Rubbish collection services, operation of rubbish disposal sites, litter control, protection of the environment and administration of the town planning scheme.

Maintenance of public halls, civic centres, beaches and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of library and other cultural facilities.

Construction and maintenance of roads, footpaths, cycle ways, parking facilities and traffic control. Maintenance of street trees, street lighting etc.

Tourism and area promotion, Building control.

Engineering operating costs, plant repair and operation costs.

Disclaimer: When a Fee listed in this Schedule is updated by any Act, Regulation, Local Law or Council Decisions, then the updated fee supersedes this schedule

(Large events as defined by Outdoor Concerts and Large Events Policy) CIVIC CENTRE

Bonds payable on all event applications, at time of application; as per Council Policy. See 'Public Hire - Civic Centre'

The following fees and bonds are in addition to any fees prescribed by regulation that may be applicable to the staging of an event. Where noise monitoring and associated reports are specifically requested they are to be provided at the applicants cost. Where there is to be amplified music, either from live bands or DJ's, the requirement is for noise levels to be monitored throughout the event or as directed by the Environmental Health Officer, and a report submitted. As and when determined by the Environmental Health Officer, where an officer is required to attend an event for the purpose of monitoring or inspection, the officer's time will be charged at a rate as per these fees and charges (under Town Officer Time) per hour or part thereof, including travelling time.
