

SKATE PARK GRAND OPENING

The grand opening of Cottesloe Skate Park held earlier this month was a wonderful event. The day began with a Smoking Ceremony, Welcome to Country and Aboriginal dance and continued with awesome demos in the bowl and on the plaza, cool tunes, and delicious pizza and gelato. It was fantastic to see so many of our community come along to help us celebrate the Skate Park and enjoy the day!

SWIMMING POOL SAFETY

With summer just around the corner the Town would like to remind our community of the importance of safe summer swimming in backyard swimming pools. To ensure you have a safe and enjoyable summer please: remain vigilant and always watch children when they are in and around a pool, restrict access – pool gates should always be closed with no climbable objects or hazards next to pool fencing, teach children water safety skills and learn how to respond in case of an emergency.

NEW BARRIER INSTALLED FOR SUMMER

Cottesloe's protected swimming enclosure was reinstalled last week for another summer of relaxed beach swimming. A newly built replacement barrier was installed this year – marking the sixth season the barrier has been in place. The Town was successful in securing a grant of \$400,000 from the State government for the supply of a replacement barrier, as the original barrier had reached the end of its useful life. The barrier will be available to swim in all summer long until the end of April 2025 – enjoy!

SUMMER BRINGS OUT SNAKES

A reminder that as the weather warms up snake activity increases as they emerge from hibernation to bask in the sun. When you are out enjoying our beautiful beaches this summer please keep to the paths and keep an eye out. If you do see a snake do not approach it, they are venomous and could bite. Snake sightings in public areas can be reported to the Town on 9285 5070. Our Rangers are trained to deal with them.
