

MARCH 2026

SCULPTURE BY THE SEA – COTT CAT SHUTTLE BUS

Sculpture by the Sea is in full swing! If you haven't had a chance to come and see the sculptures we encourage you to come and visit!

Cottesloe Beach is easily accessible by public transport and we encourage visitors to leave their cars at home and catch the train to Cottesloe Station, where the complimentary Cott Cat shuttle bus service provides a short ride to the beach and exhibition. The shuttle bus operates regularly throughout the event, thanks to the Town of Cottesloe and the Public Transport Authority.

The Cott Cat runs in a continuous loop between 10.30am to 6.00pm every day during *Sculpture by the Sea*, between Cottesloe train station (west of the train tracks), Cottesloe Main Beach (opposite Indiana), and the 'Sculpture Inside' exhibition at Sea View Golf Club, all departing from designated Cott Cat bus shelters.

Cott Cat

Town of Cottesloe

UPGRADED LIGHTING AT COTTESLOE OVAL

New lighting is coming to Cottesloe Oval, significantly improving safety, visibility and enabling greater year-round use of the oval.

The upgrade has been made possible through Cottesloe Junior Football Club, which successfully secured funding through the Community Sporting and Recreation Facilities Fund (CSRFF) via the Club Night Lights program.

The Town would like to advise that the oval will remain open throughout the upgrade, with some areas temporarily fenced off to ensure public safety. Works have been carefully scheduled to minimise disruption to the sporting season. Installation of the new light poles and electrical infrastructure is scheduled for mid-April, with project completion expected by late April. Existing lighting will remain operational until the new system has been fully commissioned.

During this time, the community may notice temporary disruptions including construction noise, machinery and truck movements, as well as minor changes to access. We appreciate the community's patience and understanding while these works are carried out.

This upgrade represents a long-term investment in our local facilities, delivering improved lighting outcomes for sporting clubs, supporting the growing participation of junior and female players, and enhancing the experience for dog walkers and all oval users.

EXTRAORDINARY ELECTION

A reminder that the Town of Cottesloe Extraordinary Election will take place on Thursday, 26 March 2026 to fill the vacancy of one Councillor.

Election packages have been sent out and completed voting papers can now be returned by post (they must be received by 6pm on election day) or can be dropped off at the Civic Centre during business hours. They can also be returned on election day to the War Memorial Hall at the Civic Centre between 8am and 6pm. Make your voice count!

DRAFT PARKING STRATEGY – OPEN FOR COMMENT

In December last year, the Town invited our community to share their feedback to assist us in developing a comprehensive parking strategy, focusing on optimising parking management to address the needs of residents, visitors and businesses, and supporting the area's economic vitality.

Thank you to everyone who completed the survey – your input has helped shape a Draft Parking Strategy. The Town is now inviting our community to review the draft and provide further feedback.

The Draft Parking Strategy 2026–2029 is available to read, and comments can be submitted at engage.cottesloe.wa.gov.au/parkingstrategy. Please provide your feedback by Sunday, 22 March (11pm). A hard copy of the Draft Parking Strategy is available to read at Cottesloe Civic Centre and at the Grove Library during business hours.

Your feedback will help ensure the final strategy supports local access, liveability and the continued economic vitality of Cottesloe.

Lest we forget
ANZAC Day
Cottesloe Civic Centre
6:45am - Parade Assembles at Southern Gate, Broome Street
Service includes:
