

APRIL 2026

## BE PART OF SHAPING A HEALTHIER COTTESLOE!

Our Public Health Plan will guide how we support the health, lifestyle, and overall wellbeing of everyone who lives, works, and spends time here.

Join us on 24 April, 6pm-7pm at the War Memorial Hall for an engaging, interactive community workshop where we will:

- Discover the key insights from our recent Public Health Plan survey
- Help set the priorities that will shape our community's future
- Share your ideas and feedback directly with Councillors

This is your chance to shape how we support the health, lifestyle, and wellbeing of everyone who lives, works, and spends time in Cottesloe. Don't miss it - come along, get involved, and help create a healthier, more vibrant future for our community!
