SHE SELLS SEA SHELLS

The Town has recently installed the sculpture acquired from *Sculpture by the Sea* 2019. *She Sells Sea Shells* by WA artist Anne Neil is a beautiful sculpture and is made of marine grade aluminium. It has been installed at the southern entrance to the Town of Cottesloe, near Vlamingh Memorial and makes a great addition to the coastal path!

SCULPTURE BY THE SEA

This year marks the 16th annual *Sculpture by the Sea* in Cottesloe, to be held from Friday 6 to Monday 23, March. Last year, an estimated 211,000 visitors came to enjoy this wonderful exhibition, and we expect this year to be just as popular. Please be mindful that there will be extra pedestrians on the footpaths and additional cars on the roads during this time.

Sculpture by the Sea is a wonderful event that showcases the beauty of Cottesloe Beach. We encourage you to walk to the event or if you live in surrounding suburbs,

please catch the train and the convenient free Cott Cat shuttle bus, which will run on a continuous loop between Cottesloe Train Station and the beach every day during the exhibition.

Sculpture by the Sea organisers are looking for enthusiastic people to provide support during the event. Volunteers play an integral role during the exhibition and are an essential part of the spirit and experience of *Sculpture by the Sea*. To find out how you can be involved visit www.sculpturebythesea.com/cottesloe/volunteer/.
