RESTORING COASTAL DUNES

We have had another successful year restoring coastal dunes. Over 10,000 seedlings were planted during winter in degraded areas to increase biodiversity, restore habitats and provide dune stability. Spring is a time for weed control works with contractors and Cottesloe Coastcare volunteers working hard to remove weeds before seeds set. In summer we will water and mulch new seedlings to help them survive the drier months. We ask that you please stay off the dunes and help our dune restoration projects thrive!

CAROLS ON HOLD

Due to COVID-19 event restrictions in place, Cottesloe Carols will not be on this year. The event would have required limited numbers in attendance and rather than having to exclude members of our community, a decision was made to cancel the event this year. Our concern for public safety and ensuring an inclusive event is paramount. The Town is looking at ways to bring Christmas cheer to our community and will keep you posted of what this will be over the coming weeks.

FORESHORE UPGRADE WORKS COMPLETE

Upgrade work on the Cottesloe foreshore is complete, in time for the busy summer season. These works involved upgrades to terrace retaining walls, and refurbishment of stairs and ramps on the grass terrace at Cottesloe main beach. A key feature of these works is the construction of new stairs at the end of the accessible path, providing convenient and safe access to the sand for beach users.

SAFE CROSSING IN COTT

A new crossing on Marine Parade near Gibney Street is now complete. It's a great new asset for the Town, providing a safe place to cross Marine Parade in south Cottesloe, especially for the many families that live nearby and the residents of Curtin Heritage Living (Wearne Cottesloe), where the crossing is located. Mayor Angers and Deputy Mayor Young went for a stroll on the crossing earlier this month!

COUNCIL MEETINGS

Council Agenda Forums are held on the third Tuesday of the month at 6pm and Council Meetings are held on the fourth Tuesday of the month at 6pm at Cottesloe Civic Centre, 109 Broome Street, Cottesloe. Agendas are available at the Civic Centre or on our website. The next Agenda Forum is on Tuesday, 17 November and the next Council Meeting is on Tuesday, 24 November.

We are celebrating the contributions of volunteers to our community. If you're a local volunteer please join us for an evening of entertainment and refreshments.
