

COVID-19 UPDATE

With the continued community spread of COVID-19 in our state, the health and safety of our community and staff is our priority. Our administration office remains open however we ask that your first point of contact is by phone, email or online. Meetings with Town staff are now by appointment only. If you do need to visit our office please; do not come if you feel unwell, wear a face mask, register your attendance, use the hand sanitiser provided, observe physical distancing (1.5 metres) and use contactless payment where possible. Thank you for your cooperation and understanding in supporting us to ensure the safety and wellbeing of our community, staff and those around us.

GOOD TO FOGO

Good news from the Town – most of our community will soon be Good to FOGO.

FOGO (which stands for Food Organics Garden Organics) is coming to Cottesloe in June. This means that green lidded Garden Organics bins will become Food Organics and Garden Organics (FOGO) bins. Kitchen scraps can be put into your green lidded bin when we change to the new system.

More information and a small kitchen caddy (to help you collect kitchen scraps) will be delivered to households just before the changeover – and then you'll be Good to FOGO! There are no additional charges for your FOGO bin and the contents will be turned into high-quality compost. To find out more about FOGO visit www.cottesloe.wa.gov.au/ (search for FOGO).

CITIZEN OF THE YEAR AWARD WINNERS

Congratulations to the Town of Cottesloe 2021 Citizen of the Year award winners. Winners were announced on Australia Day 2022.

Citizen of the Year was awarded to Maureen Davy, Citizen of the Year Youth was awarded to Eva Czislawski, Citizen of the Year Senior was awarded to Graeme Johnson and the Award for Active Citizenship (group or event) was awarded to the local history exhibition 'Waves of Change'.

Congratulations to our award winners on this wonderful achievement. The Town of Cottesloe thanks you for your continued contribution to the community. Find out more about our award winners at www.cottesloe.wa.gov.au/news.

FORESHORE REPAIR WORKS

Repair works on the foreshore have begun in an area that was badly damaged during a heavy storm (near the children's playground on Marine Parade, opposite Napier Street). The work involves construction of a drainage system designed for large storm events. In times of very heavy rainfall, overflow from Marine Parade will be directed across the footpath on to a vegetated area at the bottom of the dunes. Pollutants from the water are filtered before the water reaches the ocean and filtered litter will be picked up and disposed of as part of the Town's regular beach clean-up program.

Thank you for your patience while these works are carried out.

SCULPTURE BY THE SEA 2022

This year marks the 18th annual *Sculpture by the Sea* in Cottesloe, to be held from Friday 4, to Monday 21, March. There will be a number of COVID safety measures required to be in place and we ask that these are complied with so that we can all enjoy the sculptures this year.

The Town of Cottesloe is pleased to be hosting *Sculpture by the Sea* once again and we encourage you to walk or ride to the event, or catch the train and the convenient free Cott Cat shuttle bus which will run on a continuous loop between Cottesloe Train Station and the beach every day during the exhibition between 10.30am and 6pm. Find out more at www.cottesloe.wa.gov.au/ under What's On.
