

FOGO IS HERE!

Weekly collection of green lidded FOGO bins commenced this week. Don't forget to put your FOGO bin out with your food and garden organics inside every week. General waste and recycling bins now alternate fortnightly. Over the coming weeks reminders on which bins go out when will be posted on the Town's Facebook page. Like us at www.facebook.com/townofcottesloe.

The Town is very pleased to be the first Western Suburbs council to introduce FOGO. We hope our community are enjoying using their new kitchen caddies, and seeing just how much waste can be diverted from everyday rubbish!

Mayor Lorraine Young and Councillor Kirsty Barrett are good to FOGO!

RECONCILIATION WEEK WALK

Town Of Cottesloe Councillors, staff and members of our community recently walked a section of the Wardun Beelier Bidi, part of the Whadjuk trail network that runs through Cottesloe. The walk, from Grant Marine Park to Mudurup Rocks, was in recognition of National Reconciliation Week and part of the Town's own reconciliation journey, providing us an opportunity to reflect on the significance of our beautiful area to Aboriginal peoples. Thank you to everyone who came along and joined in the walk. If you would like to find out more about the Whadjuk trail network and enjoy the walk in your own time visit <https://whadjukwalkingtrails.org.au/>.

STREET TREE WINTER PLANTING

The Town of Cottesloe is committed to increasing our urban tree canopy and has recently commenced the 2022 Street Tree Winter Planting program. Trees being planted are in line with the Town's Street Tree Policy and Street Tree Masterplan which outlines tree species for our streets. The Town's hard working outdoor crew have marked out the location of new trees with a stake. If you see a stake in your verge please do not remove it, a tree will be planted in its place very soon. Find out more at www.cottesloe.wa.gov.au (under Services/ Environment & Sustainability Initiatives).

SIGN UP FOR PLASTIC FREE JULY

You can join millions of people reducing their waste through Plastic Free July – a global movement that raises awareness of the amount of single-use disposable plastic in our lives and challenges us to do something about it. Pledge now to reduce your use! Sign up for a day, a week or the whole month and try to refuse all single-use plastic. Or start with the top four; takeaway coffee cups, plastic bags, water bottles, and straws. Visit www.plasticfreejuly.org to find out more and read on for upcoming events!

PFJ ONLINE EVENTS

Waste Not: Reducing our reliance on plastic food packaging with Alexx Stuart from @lowtoxlife.
