Attention: Geoff Trigg

Dear Geoff

INTERSECTION OF CURTIN AVENUE AND FORREST STREET, COTTESLOE

I refer to your submission of 7 May 2012 seeking Main Roads' Agreement in Principle to install the new traffic signals at the above location.

I am pleased to advise that 'Agreement in Principle' has been given by Main Roads to install pedestrian activated traffic signals (pelican crossing) on Curtin Avenue south of Forrest Street in Cottesloe.

Please note this agreement is conditional and allows Council to further develop the project to final design. The agreement does not guarantee the modifications will proceed without;

- 1) Demonstrating all necessary conditions can be satisfied. These conditions include but are not necessarily limited to;
 - Determine the preferred system of traffic signal operation.
 - Design the road layout indicating lane configurations for the preferred system of signal operation.
 - Main Roads approval of the design of the road layout, traffic signal phasings and layout and signing and pavement marking layout.
 - Provision of the specifications and software documentation.
 - The entire project to be fully funded by Council or Council's black spot submission.
 - Any other supporting data as necessary.
- 2) Council obtaining formal approval from Main Roads to the installation of the traffic signals, given formal approval being granted the Council will be required to;
 - Arrange the modifications of the traffic signals and associated works, including its software and required signing and pavement markings in accordance with Main Roads requirements.
 - Following installation, arrange handover of Main Roads Infrastructure to the relevant Main Roads Contractors and forward the associated completed documentation.

I trust that this is satisfactory however if you require any further information you may contact Charlie Kim on 9323 4351. In reply please quote file reference 03/7974 (D12#130964).

Yours sincerely

Dear Ms Curtis

Thank you for your email of 29 June 2012 on behalf of the Chief Executive Officer for the Town of Cottesloe, Mr Carl Askew, seeking the installation of pedestrian traffic signals at the Curtin Avenue and Forrest Street intersection in Cottesloe. Minister Buswell has asked that I respond on his behalf.

I am advised that Main Roads has given the Town of Cottesloe an Agreement in Principle to install the requested pedestrian traffic signals at the Curtin Avenue and Forrest Street intersection in Cottesloe.

This Agreement in Principle allows Council to further develop the proposal, including detailed design and community consultation, before submitting it to Main Roads for its consideration and final approval.

I trust this information will assist you to respond to Council.

Yours sincerely

Michael Buba
