Hi Sherilee

I can confirm NCSLSC's support for the above event in 2014. We have committed to support all of ICEA's events for water safety when required and now lodge them all on our website roster. This ensures all events are covered by a Patrol Captain and suitably qualified lifesavers.

All reports from last year point to a very successful event and we expect nothing less than that again under the guidance of Zac Vinten.

Kind regards
