Pictured at the Civic Centre's water garden, Councillor Greg Boland and environment officer Jade Hankin have a firm hold on the ICLEI Water Campaign award. Cottesloe has reached several new corporate and community milestones in its management of water.

News in brief...

Hullabaloo in Napoleon Street

IN partnership with Procott, the Town is very pleased to support Hullabaloo in the Village (see poster), a festival with an environmental twist! The Town will be encouraging local community groups, service clubs and sporting organisations to become involved.

Register your best friend!

IF your dog is precious to you, why not make him safe and secure by registering with Ranger Services? Provided you do it before October 31, and then ensure that your own contact details are on the collar, Town rangers can bring him home if he strays.

Will you run for Council?

ANYONE considering running for a seat on Cottesloe Council can attend a special WESROC information night, beginning at 7pm on Monday August 31.

In partnership with other western suburbs councils the Town will hold a joint session, hosted by the City of Subiaco at their offices - 241 Rokeby Road, Subiaco.

The night aims to give everyone the chance to learn more about the responsibilities and duties of a local elected member.

Cottesloe's potential candidates are encouraged and invited to attend the next regular meeting of the Council, scheduled for 7pm, Monday August 24.

To nominate

Nominations for council positions open on Thursday September 10.

Seats to be contested are those of the Mayor, presently Kevin Morgan; Cr Patricia Carmichael

(Central Ward); Cr Bryan Miller (East Ward); Cr Jo Dawkins (South Ward); Cr John Utting (North Ward); and Cr Ian Woodhill (North Ward).

CLOSE co-operation between Cottesloe police and the Town Council takes tangible form. Mayor Kevin Morgan and senior sergeant Scott Halvorson are pictured with two state-of-the-art patrol bikes presented by the Council for frontline duties this summer.

ENROL NOW TO VOTE IN OCTOBER

IF YOU want the chance to vote in these important local elections - taking place on October 17 - you must be on the electoral roll. Enrolment closes at 5pm on Friday 28 August. If you have moved since the last election - or have turned 18 - you should contact the Civic Centre, and enrol as soon as possible.

THOUSANDS of local-provenance seedlings have been planted since April by Cottesloe Coastcare Association (CCA) volunteers, who are now celebrating the end of another planting season.

Pictured at Grant Marine Park are some of the 54 adults and 47 school children who have planted 3000 seedlings, paid for by the Town and grown in nurseries this year.

CCA volunteers also expressed gratitude to Cottesloe for a \$500 donation, used to buy some new tools for the Coastcare trailer.

The Grant Marine Park planting session was on a previously unused, reticulated lawn. Now it's been planted out with low-growing local species, no artificial watering is needed.

New projects

Volunteers' main job during

spring is hand-weeding. As the weather heats up seed collecting will start again. The volunteers stay busy maintaining present project sites, and they now have two new projects.

These are ecological restoration at Mudurup Rocks, which is funded by Synergy/Landcare; and a project in the Vlamingh area funded by the Australian Government's Caring for Country initiative.

Both ventures are also jointly funded by the Town of Cottesloe.

Junior Citizen of Year to sail Leeuwin

COTTESLOE Council's resolution to encourage community groups, service clubs and sporting organisations to promote the achievements of their young members also means that this year's Junior Citizen of the Year will be awarded a voyage aboard the sail-training ship Leeuwin.

It's hoped the prestigious award, combined with the chance of a sailing adventure, will encourage clubs to nominate worthy recipients from among their members.

Exact criteria for the award are yet to be finalised and will be announced so that nominations can be received in good time for the winner to be named on Australia Day.

"People will be aware that the Leeuwin has run into some financial storms lately," said Town CEO Carl Askew. "We believe the State government has already indicated that she will not be left high and dry."

"However, this initiative by Cottesloe will also help support the Leeuwin and it would be very pleasing to see our lead followed by other local councils."

Enjoy Music for Pleasure this weekend

COTTESLOE'S winter concerts programme is under way and has been a huge success, with many people taking the opportunity to come to the Civic Centre grounds and enjoy a wide range of musicians and performance. This Sunday the Town presents Bellswest, who offer a classical sound. All the MFP concerts are on Sunday afternoons, from 3pm-5pm, at the Civic Centre. Ticket prices include afternoon tea.

Full programme for this season is shown here, and residents are encouraged to check the Town's website for the latest information.
